

# ECZEMA = SATANIC ITCH. O.R.&N.

This most aggravating and tormenting of all skin diseases is caused by an acid condition of the blood, and unless relieved through certain instrumentalities too much of this acid poison reaches the skin and it becomes red and inflamed. The itching and burning are almost unbearable, especially when overheated from any cause. The skin seems on fire, sleep or rest is impossible, the desperate sufferer, regardless of consequences, scratches until strength is exhausted.

This burning, itching humor appears sometimes in little pustules, discharging a sticky fluid, which forms crusts and scales. Again the skin is dry, hard and fissured, itches intensely, bleeds and scabs over. This is a painful and stubborn form of the disease.

While Eczema, Tetter, Erysipelas, Salt Rheum and many like troubles are spoken of as diseases of the skin, they are really blood diseases, because

**THERE CAN BE NO EXTERNAL IRRITATION WITHOUT AN INTERNAL CAUSE.**

If the blood is in a pure, healthy condition, no poisonous elements can reach the skin. External applications of washes, lotions and salves sometimes mitigate the itching and soothe the inflammation, but cannot reach the disease. Only S. S. S., the real blood medicine, can do this.

S. S. S., the only purely vegetable remedy known, is a safe and permanent cure for Eczema and all deep-seated blood and skin troubles. It goes direct to the seat of the disease, neutralizes the acids and cleanses the blood, re-inforces and invigorates all the organs, and thus clears the system of all impurities through the natural channels; the skin relieved, all inflammation subsides, and all signs of the disease disappear.

Mrs. Lela M. Hoffman, of Cardington, Ohio, says she was afflicted with Scrofulous sores and Eczema from birth. Her face at times became so badly swollen that she was not recognizable, and her limbs and hands were very sore. She was treated by all the doctors in town without being benefited, and in her researches for relief, was told by an old physician to take S. S. S. She followed his advice and was promptly cured, and has never had a return of the disease. This was seventeen years ago. She sincerely believes she would have been in her grave years ago but for S. S. S., and adds, "what it has done for me it will do for others."

Send for our book on Blood and Skin Diseases, and write our physicians fully about your case; they will cheerfully give any information or advice wanted. We make no charge for this. Address, Swift Specific Co., Atlanta, Ga.

### Civilization Versus Barbarism

NEW YORK, July 17.—A dispatch to the Tribune from London, says: Civilization is confronted with a terrible war with the forces of barbarism. One of the turning points of history has been reached. Pekin will be erupted after an all-out campaign in the autumn and the bloodstained dictator and empress, in sympathy with anti-foreign movement, will be overthrown, but the only vengeance which civilization can carry into execution is the humane policy of governing China in an enlightened way through the partition of the empire. The Boxers will gradually be dispersed and the assassins driven into the interior, but Japan, Russia, and the other powers will be compelled to accept responsibility for conducting the administration of China.

### Catarrh Cannot Be Cured

with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.

### Wants His Passport.

SAN FRANCISCO, July 17.—Ho Yow, the imperial consul-general of the Chinese empire, is officially preparing to receive passports for himself and his attendants. He said:

"The Chinese in this state are to a man heart and soul against the Boxers and the awful crimes they are committing against humanity. I have just attended a meeting of the leading Chinese merchants of San Francisco, at which it was decided that they would immediately close their business here, if necessary, and offer their services to the United States as volunteers to go to China and fight under the United States flag with the allied powers. I understand that Minister Wu is ready to leave at any time. I have not as yet received definite orders from him."
