# **ITCHING LIMBS**

And All Forms of Itching, Scaly Humors Are Instantly Relieved and Speedily Cured by CUTICURA.

The itching and burning I suffered in my feet and limbs for three years were terrible. At night they were worse and would keep me awake a

greater part of the night. I consulted doctor after doctor, as I was travelling on the road most of my time, also one of our city doctors. None of the doctors knew what the trouble was. I got a lot of the different samples of the medicines I had been using. I found them of so many different kinds that I concluded that I would have to go to a Cincinnati hospital before I would get relief. I had frequently been urged to try CUTICURA REMEDIES, but I had no falth in them. My wife finally prevailed upon me to try them. Presto! What a change! I am now cured, and it is a permanent cure. I feel like kicking some doctor or myself for suffering three years when I could have used CUTICURA
