

CANCER IS NOT INCURABLE

Time was when Cancer was considered as incurable as leprosy. Physicians and friends could give little relief or encouragement to one afflicted with this terrible disease. Even now doctors know of no remedy for this fearful malady; while admitting it to be a blood disease, they still insist that there is no hope outside of a surgical operation, and advise you to have the Cancer cut out but at the same time cannot assure you that it will not return. You may cut or draw out the sore, but another will come in its place, for the disease is in the blood—is deep-seated and destructive, and beyond the reach of the surgeon's knife or caustic, flesh-destroying plasters. The blood must be purified and strengthened, the system relieved of all poisonous, effete matter before the Cancer sore will heal.

S. S. S. is the only medicine that can overcome this powerful and contaminating poison and force it out of the blood. It builds up and invigorates the old, and supplies new, rich, life-giving blood. S. S. S. is a purely vegetable remedy; no mineral can be found in it; the roots and herbs from which it is made contain powerful purifying properties that act directly upon the blood system and make a safe and permanent cure of Cancer. It has cured thousands, why not you?

Cancer is not always inherited; your family may be free from any taint, yet your blood may become so polluted that a severe and stubborn form of the disease may develop from a sore or ulcer on your tongue or other part of your body; a slight bruise or hurt, a little pimple on the eyelid, lip or nose, a small lump on the jaw or breast, a harmless looking wart or mole, and other causes so insignificant as to attract little or no attention. If you have an obstinate sore, don't rely upon salves or ointments to cure it—begin with S. S. S. at once; it will cleanse your blood and prevent the formation of cancerous cells.

Mrs. R. Shirer, La Plata, Mo., writes: "A small pimple came on my jaw about one inch below the ear on the left side of my face. At first it gave me no trouble, and I did not think it was anything serious until the jaw began to swell and become much inflamed. At the same time the sore began to spread and eat into the flesh, and gave me intense pain. I tried everything I could hear of, but nothing did me any good. I then began the use of S. S. S., and after taking several bottles the Cancer healed, and there is now no sign of the disease. This was two years ago, and I am still enjoying perfect health."

Send for our special book on Cancer; it contains much information that will interest you; it is free.

Write our physicians about your case, and for any advice or information wanted; they have made a life study of Cancer and all blood diseases. We make no charge whatever for this.

State Fair.

The state board of agriculture is making a great effort this year to make the state fair a representative agricultural and life stock show. The premium list is out and is being thoroughly distributed throughout the state, and personal efforts are being made to attract the attention of farmers and stockmen to the very liberal premiums offered.

Several counties in the state are preparing a county exhibit for the fair, for they realize it will be a good opportunity to advertise their county in a most practical way. Each exhibit will be a lecture room, and an object lesson for the home-seeker, where he can get information along intelligent lines, and will be worth many dollars in advertising the county's resources.

The live stock show will be without question the best ever held on the coast. Breeders all over the country are preparing to exhibit at the fair this year. There is an opportunity here in Oregon for the farmers who have been running in debt raising wheat to turn their attention to the profitable production of beef, mutton and pork, or engage in dairying, which has already taken its place as a leading paying industry in this state. There is a demand for the best specimens of all breeds, which will continue to grow for years to come, and there is nothing that will encourage this industry so much as stock shows at state and county fairs.

Spent Sunday at Bonneville.

Put up a lunch and get aboard either of the O. R. & N. trains leaving The Dalles at 4:50 a. m. or 12:35 noon, and spend the day in the refreshing shade of the trees at Bonneville. Fare is only 50 cents for the round trip.

Good music and first-class performance under the pavilion free to all. Refreshments can be procured on the grounds if desired.
