

The Dalles Daily Chronicle.

THURSDAY - JULY 26, 1900

For President—
WILLIAM M'KINLEY,
Of Ohio.

For Vice-President—
THEODORE ROOSEVELT,
Of New York.

ALASKA IN THIS CAMPAIGN.

This, from the Mobile Daily Register, is a sample of the arguments we shall hear from the Bryanite newspapers and orators during the campaign, says the New York Sun:

"Porto Rico is as much a part of the United States territory as is New Mexico, or Oklahoma, or Alaska, yet because of the sugar interest, the fruit interest, the tobacco interest, and other protected industries in this country, the republican party sees fit to treat the island as if it were an alien land, to be taxed without representation and, what is worse, without any constitutional authority on our part to levy the tax.

"If we can tax these people without asking their consent, and simply because we have the power to do so, what is to stand in the way of congress treating a state in the same way?"

Well, what about the case of Alaska, which is as much a part of United States territory as Porto Rico?

The same congress which passed the Porto Rico act, imposing temporarily a tariff there which is not uniform throughout the United States, passed also the Alaska act, imposing an elaborate system of excise taxes peculiar to that territory, and consequently not uniform throughout the United States.

If one of these two acts is unconstitutional, so is the other. If one is an instance of taxation without representation, so is the other. If Porto Rico is treated "as if it were an alien land," so is Alaska. If one territory is subjected to "government without the consent of the governed," so is the other. If there is any outrage, or departure from American principles, or indication of the decay of republican institutions in one case, so is there in the other case.

Why not be honest and denounce the republican party for "imperialism" in Alaska if you are going to denounce it for "imperialism" in Porto Rico and the Philippines?

Senator Hoar, of Massachusetts, has been asked to join the democratic party, and in reply that statesman has had the following published: "If you think you can best help the cause of liberty and true republicanism by voting for the men who are for the free coinage of silver at 16 to 1, by voting for men who are for refusing 10,000,000 American citizens suffrage at home, for overthrowing the independence of the supreme court, and for destroying the safeguards of property and American labor, very well. Go your way and do your duty as you see it. I shall do mine as I see it, and I think I can best do it by speaking as a republican to republicans; by keeping my right to speak as a counselor and associate of the men who have wrought everything that has been wrought for liberty in this country since the treaty of peace in 1783, and not as the associate or through the instrumentality of the party or men who have been ranged for sixty years on the side of despotism and oppression, of dishonor and of low wages."

Before next November thoughtful and reasonable men of all parties will understand how great is the peril to their own and the national prosperity invited by Bryanism, and will govern themselves accordingly.

PERTINENT PRESS COMMENT.

Bryan and Stevenson are to be formally notified of their nomination at Indianapolis August 8th. "Won't they be surprised, though?" exclaims the Cheilan Leader.

The Tacoma Ledger observes that "from the president, who believed in preserving the honor and credit of the nation, to the candidate that would sacrifice them; from the man who would not hesitate to suppress riot and insurrection to the demagogue who would incite; from Cleveland to Bryan is a long, flying leap. But that acrobatic mugwump, ex revolutionist of '48, Carl Schurz, has made it."

Here is another proof that a secret alliance exists between this country and England. British flags are made in large quantities in this country. The manufacturers, of course, receive their price for the goods, but any democrat can see with half an eye that our government would not permit this manufacture of the emblem of British oppression and tyranny in this country if there were not some secret alliance in existence.—Minneapolis Journal.
