KING HUMBERT ASSASSINATED

Anarchist Assassin Bores His Heart
 —King Had Been Attending the
 Gymnastic Exhibitions at Monza
 Health Resort.

MONZA, Italy, July 30.—King Humbert has been assassinated. He was shot here last evening at 10:45 by a man named Angelo Bressi, and died at 11:30.

The king had been attending a distribution of prizes in connection with a gymnastic competition about 10 o'clock. He had just entered his carriage with his aid-de-camp, amid the cheers of the crowd, when he was struck by three revolver shots fired in quick succession. One pierced the heart of His Majesty, who fell back and expired in a few minutes.

The assassin was immediately arrested and was with some difficulty saved from the fury of the populace. He gave his name as Angelo Bressi, describing himself as of Prato, in Tuscany. He cynically avowed his guilt of the crime.

Jean Marie Ferdinand Eugene Humbert I. King of Italy, was born March 14, 1844. He attended his father, Victor Emmanuel, during the war of Italian independence in 1859. In 1866, when Italy fought with Austria, the prince took the field as commander of a division in General Cialdini's army, and was present at the disastrous battle of Custoza, June 23, 1866. After Rome was occupied in 1870 by the Italian troops, he took up his residence there, and upon the death of his father, January 9, 1878, succeeded to the throne of Italy. In November of the same year an attempt was made to assassinate him, but it failed. When the would-be assassin was condemned to death, Humbert commuted his sentence to imprisonment at hard labor. During the cholera epidemic at Naples, he exposed himself frequently in his endeavors to alleviate the suffering of the sick and dying. By these and other acts of kindness the king won the affection of the Italian people. In 1868 he married his cousin, Princess Marguerite of Savoy, and a son was born of this marriage in 1869.

Cold Steel or Death.
 "There is but one small chance to save your life and that is through an operation," was the awful prospect set before Mrs. I. B. Hunt, of Lane Ridge, Wis., by her doctor after vainly trying to cure her of a frightful case of stomach trouble and yellow jaundice. He didn't count on the marvellous power of Electric Bitters to cure stomach and liver troubles, but she heard of it, took seven bottles, was wholly cured, avoided surgeon's knife, now weighs more and feels better than ever. It is positively guaranteed to cure stomach, liver, and kidney troubles and never disappoints. Price 50c at Blakeley's drug store.

A Night of Terror.
 "Awful anxiety was felt for the widow of the brave General Burnham of Machias, Me., when the doctors said she could not live till morning," writes Mrs. S. H. Lincoln, who attended her that fearful night. "All thought she must soon die from Pneumonia, but she begged for Dr. King's New Discovery, saying it had more than once saved her life, and had cured her of Consumption. After three small doses she slept easily all night, and its further use completely cured her." This marvelous medicine is guaranteed to cure all Throat, Chest and Lung Diseases. Only 50c and \$1.00. Trial bottles free at Blakeley's drug store.

Minto Pass Reopened.
 SALEM, July 28.—Captain S. B. Ormsby superintendent of the Cascade Forest Reserve, has announced that the old Minto trail over the Cascade mountains has been reopened. This pass was discovered by Hon. John Minto about forty years ago, and connects the Willamette valley with Eastern Oregon. It has been closed for some time owing to the construction of the Corvallis & Eastern railroad to Detroit. This news will be gladly received by many, as it is the best pass over the mountains. Captain Ormsby has been working two years on it, keeping four men constantly employed last year.

Like the American Rule.
 HAVANA, July 29.—The decree calling the constitutional convention and providing for the election of delegates meets with almost universal approval at the hands of the Cuban press. The element which has always clamored for independence sees in the convention the consummation of the plans of a lifetime.

gone around among them to try to elect the very best class of delegates possible. Probably they will rally to the banner of the Union democratic party.

From this time on those who share these apprehensions will use their funds and influence to secure the full registration of the better class of voters and to educate the people up to the idea that it would be advantageous to continue the American intervention several years longer.

Rathbone in Jail.
 HAVANA, July 28.—Estes G. Rathbone, recently director-general of posts in Cuba, was arrested here today at 11 o'clock. Mr. Rathbone remained in the courtroom all day awaiting the decision of the judge in the matter of acceptance of Francisco Gamba, one of the richest Spanish merchants of Havana, as bondman for \$25,000. Rathbone was obliged to go to the guardhouse tonight because the judge ruled that Gamba could not go on the bond without the consent of his business partner. Mr. Rathbone's lawyer's say the bond is unreasonable, as the total amount of fraud alleged is not over \$4000.

Four charges were filed against Rathbone, one based on each of the two \$500 warrants alleged to have been converted to his personal use and no vouchers offered; third, on the allegation that he paid his coachman, footman and gardener from the postal funds; fourth, on the alleged taking of \$5 per diem without authority.

During last May an infant child of our neighbor was suffering from cholera infantum. The doctors had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days time the child had fully recovered. The child is now vigorous and healthy. I have recommended this remedy frequently and have never known it to fail.—Mrs. Curtis Baker, Brookwater, Ohio. Another Massacre.
 SHANGHAI, July 28.—It is reported here that nine members of the China inland mission have been massacred near Chang Chow.

Three additional warships arrived today. There are now 2500 troops at the Woo Sung forts, seventeen miles from Shanghai, on the Yangtze. Three additional troops are now at the arsenal. Small detachments are arriving hourly. Canton is reported quiet.

Philippine Receipts.
 WASHINGTON, July 28.—The treasury receipts in the Philippine islands during May, 1900, according to a statement made today by the division of customs and inland affairs of the war department, were \$766,326. Of this amount, \$628,884 was credited customs receipts; \$33,066 to internal revenue receipts and \$44,225 to miscellaneous receipts.

France Receives Hopeful Message
 PARIS, July 28.—The Chinese minister at Paris, Yu Kung, has received the following decree dated July 24: "The foreign ministers are happily at present safe and sound, except Kotteler. We are having the foreign legations supplied with provisions and fruits, as a token of the interest we feel in them."

HOPES OF EUROPE ARE ABOUT GONE

Europe Has Lost Faith in Chinese Assurances—Pekin Advance Will Be Pushed.

LONDON, July 29.—The hopes of Europe for the safety of at least some of the members of the legations at Peking, which earlier in the week had commenced to revive, are now flickering, and at the point of extinguishment. It has been pointed out that there has been ample time to get authentic messages signed and dated by the ministers. Until such advances have been received or until the ministers have been handed over in the flesh, the general public and the governments interested will not attach any credence to further Chinese statements or consent to stay preparations for the advance of the relief force toward Peking.

The latest story originating in other than Chinese sources is a special dispatch from Che Foo, dated July 27, according to which Missionary Wilder, who started for Peking a fortnight ago, has just returned, and reports that he found the Imperial Chinese forces completely surrounding the Tartar city. He was unable to deliver a message to the legation, and in reply to his intreaties the Chinese said they could not allow any one to pass to the foreigners. According to reports the attack on the legations ceased the afternoon of July 14. Everything was quiet during the remainder of Missionary Wilder's stay. When he left, July 18, a decree had been issued commanding all persons to protect the foreigners in China. Returning he saw no troops for sixty miles south of Peking, but he learned that 20,000 men were in the neighborhood of Yan Tsun and Pei Tsung.

According to this morning's Berlin dispatches, the conservative government organs agree that Emperor William's words in Bremerhaven have been misrepresented abroad. The Kreuz Zeitung says that it was never intended to convey the idea that the troops could not make prisoners, but that the German emperor merely alluded to the Chinese, "who neither pardoned nor made prisoners."

A telegram from Rome reports that the organ of the Vatican, commenting

upon the speech of Emperor William, says that it is the earnest wish of the Pope and Cardinal Rampolla that the powers should not resort to a policy of retaliation and vengeance, and that no power should be permitted to do this. The Pope has issued a letter directing prayers in all churches for the safety of the Christians, and, instead of motives of revenge, the letter expresses the hope that the Almighty will inspire thoughts of concord and peace, which will prevent further ruin and massacre.
