BOILS & CARBUNCLES

These unwelcome visitors usually appear in the spring or summer, when the blood is making an extra effort to free itself from the many impurities that have accumulated during the winter months.

Carbuncles, which are more painful and dangerous, come most frequently on the back of the neck, eating great holes in the flesh, exhaust the strength and often prove fatal. Boils are regarded by some people as blessings, and they patiently and uncomplainingly endure the pain and inconvenience under he mistaken idea that their health is being benefitted, that their blood is too thick anyway, and this is Nature's plan of thinning it. The blood is not too rich or too thick, but is diseased—is full of poison—and unless relieved the entire system will suffer. The boil or carbuncle gives warning of serious internal troubles, which are only waiting for a favorable opportunity to develop, even cancer, is the result of a neglected boll, Many an old sore, running ulcer,

Baneful Boils

Keep the blood pure and it will keep the skin clear of all the irritating impurities that cause these painful, disfiguring diseases.

S. S. S. cures boils and carbuncles easily permanently by reinforcing, purifying and

building up the blood and ridding the system of all accumulated waste matter. S. S. S. is made of roots and herbs which act directly on the blood, and all poisons, no matter how deep-seated, are soon overcome and driven out by this powerful purely vegetable medicine.

Mr. R. M. Pratt, Cave. S. C., writes:
"For twenty years I was sorely
afflicted with boils and carbuncles
caused by invare blood. It is impossible to describe my suffering: part of
the time being unable to work or sleep.
Several doctors treated me, and I tried
all the so-called blood remedies, but
nothing seemed to do me any good.
During the summer of 1883 I was persuaded to try S. S. S., and after taking
geveral bottles was entirely cured, and
have had no return of these painful
pests up to the present time." S. S. S. is not a new, untried remedy, but for fifty years has been curing all kinds of blood and skin diseases. It has cured thousands, and will cure you. It is a pleasant tonic as well as blood purifier—im-proves the appetite and digestion, builds up your general health and keeps your blood in order. Our physicians have made blood and skin dis-
