

Want an Education.

CHICAGO, Sept. 28.—President Harper, of the University of Chicago, has received a letter from M. G. Bumbaugh, commissioner of education in Porto Rico, asking him if it would be possible for a number of poor young men and women to attend the university without expense. The letter was referred to Secretary Goodspeed, of the board of trustees, and the matter will be brought before the board at the next meeting.

The letter from Commissioner Bumbaugh states that there are in Porto Rico now a number of young men and women from 14 to 20 years of age who are anxious to obtain an education in the United States. They are too poor to pay their expenses. The United States government will give them transportation to New York if provision can be made for their other expenses while acquiring an education.

Tried the Assassin of Baron von Ketteler
Pekin, Sept. 22.—The Manchou assassin of Baron von Ketteler was tried by court-martial yesterday. No new evidence was presented, and the court decided that it would be unjustified in pronouncing sentence upon the prisoner, who will be held in the hope that further information will be obtained.

The Russian and German legations are still awaiting developments, and the receipt of further instructions. Li Hung Chang is expected to arrive within a week. Business is improving and the people are gaining confidence, but no progress is being made toward the return of the fugitive government, the event so much desired by every one.

General Fukushima has returned here after spending twelve days at Taku.

Emperor Held by the Empress.
New York, Sept. 28.—The Russian orders to leave Peking have been suspended for the 5000 troops there, the Herald correspondent at Peking cables under date of September 18th. The other legations and troops are uncertain about remaining yet they are hailing the Chinese courts to return for peace negotiations.

The emperor is at Tai Yuen. Li Hung Chang requests his return and that of the empress dowager. The Russians and French invite the emperor and empress dowager to return. The Americans and British invite the emperor only. The empress dowager demands guarantees for herself and her hostile ministers before releasing the emperor.

BUSINESS LOCALS.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and drugs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y.

The Balm cures without pain. Does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by old and young.
