A Minister's Good Work,

"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Choler and Diarrhsen Remedy, took two dos-s and was entirely cured," says Rev. A. A. Power, of Emporia, Kan. "My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost bloody flux. I asked him at he had tried Chamberlain's Colic, Cholera and Diarrhies Remedy and hd said, 'No.' I went home and brought him my bottle and gave him one dose; told him to take another dose in fitteen or twenty minutes if he did not find relief, but he took no more and was entirely cured." HUMBERT'S PECULIARITIES.

Didn't Care for His Army and Disliked Conventionalities-What He Enjoyed.

"Did the Italians like Humbert pretty well?" was asked of a well-known Americanized Italian the other day after the receipt of the news of the

assassination of the king of Italy. "I see by the newspaper dispatches that he was extremely beloved," re-

sponded the Italian. "Well, what are the facts in the case;

was he really popular?' "Not at all. He took little interest in anything or anybody. He cared so little for his big army that to my personal knowledge he was never inside the barracks of his own King's guards."

"What did he care for? He must have been interested in something." "All he cared for was to go shooting

or get out to some country-house. where he could your without covering his mouth with his hand."
