### Gujarro's Dishonesty.

NEW YORK, Oct. 2.—A dispatch to the Herald from Valparaiso says: It is estimated that the amount of money alleged to have been embezzled by the former Spanish Minister, Salvador Lopez y Gujarro, is more than \$100,000. The money belonged to Spanish subjects, who are very indignant. Lopez received the funds from the Chilean government to pay damages sustained by Spaniards during the revolution of 1891. He having presented his papers of retirement, the minister disappeared, without paying a cent to the claimants.

A big fire occurred yesterday in the business center of Valparaiso. The loss was very heavy.

### A Minister's Good Work.

"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured," says Rev. A. A. Power, of Emporia, Kan. "My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost bloody flux. I asked him if he had tried Chamberlain's Colic, Cholera and Diarrhoea Remedy and he said, 'No.' I went home and brought him my bottle and gave him one dose; told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured." For sale at Blakeley's drug store.

### Great Britain Buying Coal in America.

CHICAGO, Oct. 2.—British steamships and railroads are expected to burn American smokeless soft coal in the near future. Negotiations for the sale of 500,000 tons of the American product have practically been completed between a Chicago firm of bituminous coal mine owners and operators and an agent of a London brokerage firm, who is now in this city.

The purchasing parties will send their own transports to carry the coal. The present deal is one of the largest on record. It is believed that it marks the beginning of a regular demand by British concerns for American coal.

I am happy to say it gave immediate relief and a complete cure." For sale at Blakeley's drug store.

Through the months of June and July our baby was teething and took a running off of the bowels and sickness of the stomach," says O. P. M. Holliday, of Deming, Ind. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size, Ely Brothers, 56 Warren St., N.Y.

## THREE TERRIBLE NIGHTS

Story Told by Miss Cecile Payne Who Was in Peking During the Eight Weeks of Awful Experiences.

SAN FRANCISCO, Oct. 2.—Miss Cecile E. Payne, the young miniature painter who went to Peking last spring as the guest of Minister and Mrs. Conger, told a graphic story of the siege on her arrival here.

"Of the whole eight weeks of terrible anxiety and dread," said Miss Payne, "three nights stand out with special prominence. They are spoken of by the besieged as 'the three terrible nights.' The first was just before the siege—about June 17th or 18th. That was while we were in the American legation. We went into the British legation compound on June 20th. The night I speak of was one the foreigners will never forget. All night long went up terrible cries, howls and shouts of thousands upon thousands of Chinese crying for the blood of the foreigners.

"The second terrible night was about the middle of the siege, when, after three or four days of muggy, sultry weather, one of the most violent thunder storms I ever experienced broke over the city. Everybody had predicted that with the coming of the rain the Chinese would cease firing, but the effect was just the opposite. It was a night of belching thunder, roaring artillery, incessant lightning and pouring rain."

"The third and last night of horrors was that of August 13th, the day before the relief came. On that night the Chinese were fairly frantic and moved heaven and earth to break in and kill us. Firing that had seemed furious before was tame compared with the hail of shot and shell that poured in upon us that night. It came from all quarters and seemed to be from every imaginable kind of firearm. We had received reports of the approach of the relief column and knew that it must be near from the frantic attempts of the Chinese to slay. We expected that any moment might be our last, as many breaches were made by the shells and a determined assault at any one place

would have opened the way for the hordes outside."

### Brave Men Fall

Victims to stomach, liver and kidney troubles as well as women, and all feel the results in loss of appetite, poisons in the blood, backache, nervousness, headache and tired, listless, run-down feeling. But there's no need to feel like that. Listen to J. W. Gardner, Idaville, Ind. He says: "Electric Bitters are just the thing for a man when he is all run down, and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cents, at Blakeley's drug store. Every bottle guaranteed.

### China Will Punish Boxer Leaders.

WASHINGTON, Oct. 2.—The Chinese minister has delivered to the state department official confirmation of the degradation of Prince Tuan and many other Chinese leaders. The following official statement is made as to Minister Wu's dispatch:

"A cablegram received from Director-General Sheng, at Shanghai, states that by imperial edict, issued on September 25th, Prince Chwang, Prince Yih, Secondary Princes Tsai Lien and Tsai Ying, are deprived of all their respective ranks and decide upon a severe penalty, and his salary is to be stopped; that Duke Tsai Lan and the president of the censorate, Ying Nien, are handed over to the said board, who shall consult and decide upon a severe penalty; and that Kang Yi, assistant grand secretary and president of the civil board, and Cho Shu Chiao, president of the board of punishment, are handed over to the board of censors, who shall consult and decide upon a penalty."

### Millions Given Away.

It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for consumption, coughs and colds, have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, bronchitis, hoarseness and all diseases of the throat, chest and lungs are surely cured by it. Call on Blakeley, the Druggist, and get a free trial bottle. Regular size 50c. and \$1.
