PAYING DUTY IN KIND.

One Case Where a Thieving Turk Was Bitten—How Justice Is Meted Out.

The rapacity of Turkish officials of all sorts is notorious, but that of the customs officers exceeds all other kinds. An interesting instance of paying duty in kind is to be recorded. An official of the British embassy bought in Paris a dress for his wife, for which he paid £10. The customs official valued it at £60 and demanded duty on that amount. The Englishman protested, and, knowing the law, said they might keep the dress, paying him the value they had fixed upon it, less the eight per cent. This was done, and a month later at the public auction of confiscated goods he bought back the dress for £6, thus getting the dress for nothing and making a profit of £54 4s on the bargain.

Justice is meted out rapidly in Turkey. On one occasion a Kurd picked up a tobacco box in the street, which was promptly claimed by an Armenian. Just as they were coming to blows a policeman interfered. Both Armenian and Kurd claimed the box, when the former suggested that the Kurd should say what was in it. "Tobacco and cigarette paper," promptly answered the Kurd. "Nothing of the sort," cried the Armenian. "It contains only a five piastre piece." The box was gravely opened by the policeman, who then said: "The Armenian is right and the Kurd is a liar." Here he smote the Kurd's head. "Furthermore, Allah be praised!—for my trouble in deciding this complicated case I keep the five piastres."

PROPOSES A COMMON PROGRAMME

Punishment of Culprits, Importation of Arms to Be Prohibited, Permanent Guard in Peking, Equitable Indemnities, Disarmament of Fortifications.

PARIS, Oct. 5.—The following official note was issued this afternoon:

"The foreign minister has instructed the representatives of France to sound the powers whose troops are cooperating with ours in the extreme East regarding the adoption of a common programme for the negotiations with China. Our representatives acquitted themselves of this mission and left with the various foreign ministers a copy of the following note:

"In sending their forces to China, the powers proposed first of all, to deliver their legations. Thanks to their union and the valor of their troops this aim has been attained. It is now a question of securing from the Chinese government, which has given Prince Ching and Li Hung Chang full power to negotiate and treat in its name, suitable reparation for the past and serious guarantees for the future. Penetrated with the spirit which inspired the previous declarations of the different governments the government of the republic believes it sums up their real sentiments in the following points, which it submits as a basis for negotiations to be entered upon immediately after the usual verification of the powers:

"First—The punishment of the principal culprits, who will be designated by the representatives of the powers at Peking.

"Second—The maintenance of the prohibition of the importation of arms to states societies and individuals.

"Third—The formation of a permanent guard for Peking legations.

"Fourth—The dismantlement of the fortifications.

"Fifth—The military occupation of two or three points on the road from Tien Tsin to Peking, which would thus be always open to the legations wishing to go to the sea or to forces proceeding to Peking from the sea.

"Presented collectively by the representatives of the powers, supported by the presence of the international troops, it appears impossible to the government of the republic that these conditions which are so legitimate, would not be accepted by the Chinese government at an early date."

School Clothes...

for **Boys.**

If ever sham cheapness is to be avoided, it is when choosing a School Suit for a healthy boy. A boy's back and legs are a poor place to put shoddy and scamp sewing. We had the active, sturdy boys in mind when we planned the

CUTAWAY (VERY ATYLLAH) SACK-SUIT (4 BUTTON)

New Boundary Marking Discovered.

NEW WHATCOM, Wash., Oct. 5.—It is reported that a new boundary marking has just been discovered in the disputed portion of the Mount Baker district, by members of a railroad surveying party.

They found the monument in the vicinity of Chiallswack Lake, in the middle of a wide swath which years ago was cut through the timber. If the boundary follows the line of this swath, Red Mountain and all the disputed strip is on the American side. It is expected the report of the dominion surveyors will be made in a few days. If the Canadians claim the line is south of the present location, the Washington authorities will be asked to make a survey.

A question has also arisen as to whether the 49th parallel was correctly fixed by the boundary commission, and the settlement may become an international affair. Many mines are located in the disputed territory.

Stove Blown to Atoms.

BURNS, Or., Oct. 5.—Geer & Cummings' hardware stove was blown to atoms yesterday afternoon by having cast into the fire along with a lot of rubbish, some giant percussion caps. Four men in the building at the time were seriously injured. Hon. I. S. Geer's clothing was badly torn and his face and hands, fearfully lacerated. Another piece of the metal cut a great gash in his left thigh. William Cummings had his right eye torn out. Frank McClintock received a painful wound on the leg. George Hill's leg and face were badly cut.

This will be the greatest event in the history of the City of Wheat, Wool and Fruit and an Open River to the Sea. The products of this prolific region will be on exhibition, and farmers, flockmasters and all others will witness an exhibit that will be both interesting and instructive.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N.Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

The largest and most complete line of fall and winter millinery ever displayed in the city at the Campbell & Wilson millinery parlors. The prices will sell the goods. \$8-11
