

Richest Baby in the World.
The little Grand Duchess Olga of Russia may be said to be the richest baby in the world. The week she was born \$5,000,000 was settled on her, and it is said that this huge sum was safely invested in British and French securities. For in a country like Russia no one knows what may happen to members of the reigning house.

The Same Effect.
It is observed by travelers in Siberia that the effect of constant cold is practically the same as the effect of constant heat. The people develop a disinclination to work, and become strangers to ambition of any description.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N.Y.
The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation.
With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

Not Under Free Homestead Bill.
WASHINGTON, Oct. 10.—That part of the Colville reservation thrown open today does not come under the free homestead bill, but each settler pays, in addition to fees, \$1.50 per acre for his lands. Inasmuch as the records show these lands to be valuable for their minerals, the cost is nominal.

Strikers in a Riot.
HAZLETON, Pa., Oct. 10.—A special policeman was killed, another was wounded in the head, a striker was probably fatally shot and ten nonunion men were more or less seriously wounded at the Oneida colliery of Cox & Brothers, in a clash between the officers and 500 strikers this morning.

THE CELEBRATED ..COLUMBIA BREWERY...
AUGUST BUCHLER, Prop.
Of the product of this well-known brewery the United States Health Reports for June 28, 1900, says: "A more superior brew never entered the laboratory of the United States Health reports. It is absolutely devoid of the slightest trace of adulteration, but on the other hand is composed of the best of malt and choicest of hops. Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by old and young. Its use can conscientiously be prescribed by the physicians with the certainty that a better, purer or more wholesome beverage could not possibly be found."
