

The Wheat Trade.

The Portland Commercial Review, of the 11th instant, contains the following review of the wheat situation for the past week:

"The market has been fairly active and farmers are selling freely at prevailing prices. There is no urgent demand for wheat at Portland or on the Sound, by either exporters or millers, all having plenty of wheat for present demands and for some time to come, but are always in the market to buy when sellers do not ask exorbitant prices. The crop of 1900 has been secured and pretty near all housed. Farmers are realizing that they are getting all the market can stand and are willing to sell. Competition for parcels of wheat is not very keen amongst buyers, but all of them are doing something. Valley wheat is the only variety that brings good prices, on account of the short crop in that territory, and competition is only among millers, exporters paying very little attention to Valley this season.

While foreign advices are of a hardening tendency and the market generally is of a broadening character, there has been no material alteration in values. Ten vessels have arrived during the week, pretty well distributed to the various export houses, and none of the same will be detained on account of grain, as every warehouse here has plenty, and it looks as if the month of October will be one of great activity. Six vessels have cleared since our last review, three on Puget sound and three at Portland. A number of vessels are due yet this month, and there will be no detention for lack of grain to go on board ship. Prices are: Club, 55c; B system, 58c; Valley, 60c per bushel.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c size. Ely Brothers, 56 Warren St., N.Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

AUGUST BUCHLER, Prop.
Of the product of this well-known brewery the United States Health Reports for June 28, 1900, says: "A more superior brew never entered the laboratory of the United States Health reports. It is absolutely devoid of the slightest trace of adulteration, but on the other hand is composed of the best of malt and choicest of hops. Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by old and young. Its use can conscientiously be prescribed by the physicians with the certainty that a better, purer or more wholesome beverage could not possibly be found."
