THE CENTAUR COMPANY, NEW YORK CITY.

ernor Roosevelt made the first stop today on his tour of Ohio, speaking to a large crowd. The governor was escorted by Governor Nash to the speaker's stand.

A feature of the meeting was the presence on the platform of the mother of Captain Huston, of Oklahoma. Captain Huston was an officer in Colonel Roosevelt's regiment in the war with Spain, and on the breaking out of the trouble in the Philippines he went thither, where he died. Governor Roosevelt escorted Mrs. Huston to the platform. "I recall your noble son," he said, "and knew him well as a brave man and soldier."

"Yes, governor," was the reply, "I gave my son to my country, and would give another if I were blessed with one." Captain Huston's body is buried here.

**Cured of Chronic Diarrhoea After Thirty Years of Suffering.**

"Suffered for thirty years with diarrhoea and thought I was past being cured," says John S. Halloway, of French Camp, Miss. "I had spent so much time and money and suffered so much that I had given up all hopes of recovery. I was so feeble from the effects of the diarrhoea that I could do no kind of labor, could not even travel, but by accident I was permitted to find a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and after taking several bottles I am entirely cured of that trouble. I am so pleased with the result that I am anxious that it be in reach of all those who suffer as I have." For sale by Blakeley druggist.

**Canada Will Get None of Our Mines.**

VANCOUVER, B. C., Oct. 16.—The survey of the disputed boundary line at Mt. Baker has been completed by Provincial Surveyor Deane. The line places all the mines of importance in the district on the American side, although a mile of extra territory is given to British Columbia.

The chief importance of the survey is that a Canadian government commissioner, by locating the boundary line north of the mining camps, compels all Canadians sending in supplies to the camps to pay duty, and this practically diverts the large trade to mines from Chilliwack, B. C., to Sumas, Wash.

**Street Car Collision in Seattle.**

SEATTLE, Oct. 16.—A street car collision occurred this morning early on the line between Seattle and Renton. A passenger car met a freight car bound to the city, on a long open stretch of travel. Both cars were going at a good speed. Thirteen people on the passenger car and one man on the freight car were more or

less seriously injured. A heavy fog enveloped the valley and the two cars, unobserved to the trainmen of either, came together with appalling force.

**Unruly Miners Arrested.**

TAMAQUA, Pa., Oct. 16.—Between twenty-five or thirty unruly marchers were arrested by soldiers at various points along the line of march the early part of the day. Later all but a few were discharged. They were accused of carrying concealed deadly weapons and inciting to riot. Two miners on their way to work in the Nesquehoning district were severely beaten.

COLEDALE, Pa., Oct. 16.—The local union of the United Mineworkers met today and prepared to welcome in a body the marchers from Hazleton and vicinity, but the soldiers got there before the strikers and dispersed the meeting, ordering the men to their homes.

**End of the Strike.**

SCRANTON, Pa., Oct. 16.—That there is a positive assurance of the end of the strike of the anthracite miners seems certain today, in view of the preparations which are being made all through the Lackawanna valley for the resumption of work. The coal companies are crowding their mine sidings with empty cars so as to be prepared for the great demand for coal which will necessitate the running of the mines and breakers to their utmost capacity for weeks in order to get the stock ahead to meet the winter's demand.

**NO DOLLAR DINNER THIS**

Hoffman House Banquet Remarkable for Lack of Jeffersonian Simplicity

NEW YORK, Oct. 16.—The dinner tendered Mr. Bryan at the Hoffman House at 5:30 o'clock this evening was not held in the Moorish room, as was first intended, but in the Salon Louis Quinze. Fifty covers were laid, an increase from what was first intended. The room was beautifully decorated with laurel leaves, palms and evergreens. Mr. Bryan's portrait, framed in a silk American flag, was just behind the chair reserved for Mayor Van Wyck, the presiding officer. Fifteen persons sat at the reserved for the guest of honor and other distinguished persons. The remaining guests sat at smaller tables. All the tables were decorated with flowers, roses predominating. The service was the best the house could provide, linens of the most costly sort, the heaviest tableware, cut glass and the best of China. Although Mr. Bryan did not drink his wine, glasses were provided just as for the other guests.

Mayor Van Wyck sat in an invalid chair brought from the rotunda. On either side of him, two and two, were special chairs, on which sat Mr. Bryan, Mr. Croker, Adlai E. Stevenson and William R. Hearst. When all were seated, Mr. Bryan was between Richard Croker and Mayor Van Wyck. The other guests at the main table were: John B. Stanchfield, William J. Stone, William E. Mackey, Edward F. Shepard and John W. Keiser. On the mayor's left were Adlai E. Stevenson, William R. Hearst, Webster Davis, John D. Richardson, Norman E. Mack, John Dewitt Warner and George M. Vonhoesen. At each plate was placed a souvenir programme, bound in heavy dark paper, with the name of each guest in gold letters on the covering. The menu was on cards plain except for a portrait of Mr. Bryan above the American flag, in colors, to the right. The much-disputed cost of the dinner was settled by the Hoffman House management, who said that the cost was \$12 per plate, exclusive of the wines. It took from 5:45 to 7 p. m. to dispose of the many courses, and soon after the

party got into carriages and were driven to Madison-Square Garden.

**Great March of Strikers.**

LANFORD, Pa., Oct. 16.—About 1500 men and sixty women and girls marched eighteen miles, from the south side of the Hazleton region, during the night, for the Panther Creek valley, where they expected to close the ten collieries of the Lehigh Coal & Navigation company, but just as the weary marchers were nearing their destination this morning they were met on a mountain road by three companies of infantry, and at the point of the bayonet were driven back four miles to Tamaqua and dispersed.

Another crowd of 800 strikers from the north side of Hazleton also marched here and succeeded in closing the company's No. 1 colliery at Nesquehoning, near Mauch Chunk, before it was scattered. The presence of the soldiers was entirely unexpected and the strikers were much crestfallen that they failed in accomplishing the object of their long march.

**Americans Killed by Filipinos.**

MANILA, Oct. 14, via Hong Kong, Oct. 16.—A detachment of twenty men of the twenty-fourth regiment, while engaged in repairing telegraph wires, October 10, at a point near San Jose, Meuvo Ecija province, Ise de Luzon, were set upon by 200 rebels, and were overpowered and scattered. Seven of the Americans reached San Jose, but it is probable that the remainder were captured.

The enemy surprised a party of scouts of the forty-third infantry at a point three miles from Takloban, Leyte island, killing three of the Americans at the first volley. Two escaped and gave the alarm, but the enemy succeeded in evading their pursuers. The native police of Takloban, had conspired to surprise the Americans. The bodies of the dead soldiers were badly mutilated.

**WILD WITH ECZEMA**

**And Other Itching Burning Scaly Eruptions with Loss of Hair.**

**Speedy Cure Treatment \$1.25.**

Bathe the affected parts with Hot Water and Cuticura Soap, to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment freely, to allay itching, irritation, and inflammation, and soothe and heal, and lastly, take Cuticura Resolvent, to cool and cleanse the blood. A single set (price, \$1.25) is often sufficient to cure the most torturing, disfiguring, and humiliating skin, scalp, and blood humors, with loss of hair, when all else fails.

This sweet and wholesome treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning, and scaly humors of the skin, scalp, and blood, and points to a speedy, permanent, and economical cure when all other remedies fail.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants and the anxiety of worn-out parents, as in milk crust, tetter, and salt rheum — all demand a remedy of almost superhuman virtues to successfully cope with them. That CUTICURA remedies are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy, have made them the standard skin cures and humor remedies of the civilized world.

Price, The Set, \$1.25; consisting of CUTICURA SOAP, 25c.; CUTICURA OINTMENT, 50c.; CUTICURA RESOLVENT, 50c. Sold throughout the world. FOSTER DRUG AND CHEM. CO., Sole Props., Boston. "How to Cure Every Humor," free.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size, Ely Brothers, 56 Warren St., N. Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

The largest and most complete line of fall and winter millinery ever displayed in the city at the Campbell & Wilson millinery parlors. The prices will sell the goods. o81f
