PROPOSES TERMS OF SETTLEMENT

Will Pay an Indemnity of £40,000,000 and Imprison Prince Tuan for Life.

LONDON, Oct. 30.—"The Chinese plenipotentiaries opened negotiations," says the Shanghai correspondent of the Daily Express, "by proposing that China should pay an indemnity of £40,000,000 in sixty instalments, agreeing that the Likin and the customs service should be under foreign control until the obligation should be discharged. They also agreed that Prince Tuan should be imprisoned for life, that Tien Tsin should be treated as an international district and that other places should be opened to foreign trade. China undertakes to abstain from purchasing war material abroad. In order to raise the indemnity she proposes to double import duties."

PEKIN, Sunday, Oct. 28.—A meeting of the diplomatists was held this morning to consider the form of the negotiations for a settlement of the China difficulties. The decision arrived at is kept secret in order to prevent any information reaching the Chinese.

STATUS OF THE PORTO RICANS. New York, Oct. 30.—The application of Frank Juarbe, a Porto Rican, for a peremptory writ of mandamus directing the board of registry to register him as a voter, on the ground that he became an American citizen by virtue of the cession of Porto Rico by Spain to the United States, has been denied by Justice Friedman, in the supreme court. Justice Friedman, in his decision says that the treaties taking over the island of Porto Rico did not make the inhabitants of the territory citizens of the United States but, on the contrary, left the determination of their civil rights and their political status to the future action of congress, which has not yet acted.

Yakima Valley Apples. NORTH YAKIMA, Wash., Oct. 30.—The winter apple crop of Yakima valley is being harvested and placed on the market. Buyers are paying 2 cents a pound, or equivalent to \$1 a box for the choice red Spitzenburge. It is estimated that

at least 40,000 boxes will be marketed this year. The crop is larger and the specimens better than in 1899. This is said to be due to the concerted efforts in spraying and the care being taken of all orchards, in pruning, cultivating and irrigating the trees. The orchards area planted to apple trees alone in this valley is placed at 3000 acres, of which a large portion is in bearing.

Catarrh Cannot Be Cured. with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. Cleveland's True Democracy. CHICAGO, Oct. 30.—A special to the Record from Princeton, N. J., says: Ex-President Grover Cleveland has sent the following letter to Don M. Dickinson, his former postmaster-general: "Princeton, N. J., Oct. 29, 1900.—The Hon. Don M. Dickinson. My Dear Sir: The speech I made at the Reform Club dinner in April, 1897, is a part of my record in advocacy of the true democracy. I cannot suppress it or abate from it, and I would not if I could. I shall not object to any use you see fit to make of it. Yours sincerely,

"GROVER CLEVELAND." In his speech at the Reform Club dinner on April 24, 1897, Mr. Cleveland condemned the course of those who were sowing the seeds of discontent and cultivating a growth of sectional and class suspicion and distrust. He also regretted to see the remedy for supposed financial ills proposed in the free coinage of silver, with a depreciated currency and cheap money.

Glorious News.

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved,—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores.
