## ONE CONDITION OF PEACE

Powers Will Probably Insist That Hereafter the Empress Dowager Have Nothing to Do With the Government of the Chinese Empire.

WASHINGTON, Nov. 1.—It was stated today in quarters well versed in Chinese affairs, that outside of the questions of indemnity, punishments, etc., now under negotiation at Peking, there are three vital and far-reaching questions to be determined, viz:

First, the removal of the Empress Dowager, personally and through the influence of her advisers, from all participation of the Chinese government. Second, the creation of an indemnity fund by the increase of China's customs revenue, either by the payment of the duties in gold instead of depreciated silver, as at present, or else doubling the present silver duties from 5 per cent to 10 per cent ad valorem, and Third, the establishment of a minister of foreign affairs, in place of the old and cumbersome system of the Tsung li Yamen.

The demand for the retirement of the Empress Dowager is said to result from the conclusion now generally accepted that the imperial government of China was responsible for the Boxer uprising. As the Empress Dowager was the ruling authority of the imperial government during the uprising, this responsibility is brought home directly to her. There is understood to be no purpose, however, to visit upon her any personal punishment or indignity, but merely to so form the reconstructed government as to exclude her from all participation in it. It is deemed advisable for that reason that she should remain permanently away from Peking, and that her advisers also should be kept away from the seat of government.

The plan of doubling China's customs duties has risen from the need of finding a source to pay war indemnities, which the various powers demand. It appears, however, that the increase of the duties has heretofore been brought to the attention of the United States government

by Li Hung Chang. This was during his visit to Washington a few years ago, when it was represented that the 5 per cent was fixed in 1858 by the treaties with the United States and other countries, and was payable in silver, at which time silver was worth almost as much as gold. But, with the changed value between silver and gold, Li Hung Chang pointed out that China's 5 per cent duty in silver actually netted only about 2½ per cent, judged by the prevailing gold standard. The matter was not pressed at that time.

China's present customs revenue are said to be already pledged to meet the interest and principal of Chinese loans, so that it will require some entirely new source to meet the indemnities. In case the enlarged duties are determined upon, it is understood that their collection will be placed under the supervision of the powers, at least until the indemnities are paid.

Catarrh Cannot Be Cured. with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.

New York's Ex-Mayor Dead. NEW YORK, Nov. 2.—William L. Strong, last mayor of the old city of New York, died suddenly at 3 a. m., at his residence in this city. Mr. Strong had not been at his place of business for several days, but no one suspected that his condition was alarming. Mr. Strong took an active part in the present campaign, and it is said that his political labors, combined with his attempts to retain supervision over his business affairs in the face of impaired health, brought about the illness that resulted in his death.

CANTON, O., Nov. 2.—News of the death of ex-Mayor Strong, of New York, was received with feelings of great sorrow at the McKinley home. The deceased was esteemed as a personal friend of long standing. Immediately upon receipt of the news the president sent a telegram of condolence to the bereaved family.

It Happened in a Drug Store. "One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." It is for sale by G. C. Blakeley, the druggist.

Japs In Canada Want to Vote. VANCOUVER, B.C., Nov. 2.—A Japanese named Tommi has demanded to be placed on the voters' lists here, threatening appeal to the courts as a naturalized British citizen. If refused, he will ask for a declaration that the British Columbian law excluding Chinese and Japanese from voters' rights is unconstitutional. The question is most important, as the Japanese would hold the balance of power in several constituencies if allowed to vote.

Scared Her to Death. ROCHESTER, N. Y., Nov. 2.—The authorities of Allegheny county are looking for the persons who manufactured a skeleton out of animal bones which frightened Mary Oldfield, of Karrdale, to death Wednesday night. Mary Oldfield, accompanied by two friends, was returning from a Halloween party, where they had listened to gruesome stories until their hair stood on end. When about to enter the woods a rattling of bones was heard overhead, and looking up the trio were overcome with horror at seeing a skeleton of gigantic proportions sweeping down on them from above. With a cry of terror Mary dropped dead.

A searching party found a wire leading from the ground to a tree top to which was attached a skeleton by a pulley.

"For three days and nights I suffered agony untold from an attack of cholera morbus brought on by eating cucumbers," says M. E. Lowther, clerk of the district court, Centerville, Iowa. "I thought I should surely die, and tried a dozen different medicines but all of no purpose. I sent for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and three doses relieved me entirely." This remedy for sale by Blakeley, the druggist.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

Died in a Poorhouse. NEW YORK, Nov. 2.—George Washington Freeman Horner Green, a former negro slave, died in the Alms Hospital, at Hempstead, L. I., yesterday, at the reputed age of 123 years. Green is said to have been born on a farm near Elizabethport, N. J., on January 1, 1777. He was sold to a Virginia planter named Horner, by whom, it is said, he was sold to General Washington. In 1812 he was made a free man, and then came north and was employed by George Green, a Long Island farmer, with whom he remained for forty years.

Green's faculties remained unimpaired until fifteen years ago, when his sight and hearing began to fail, and he entered the poorhouse, where he had lived ever since. He used both whiskey and tobacco, but is said never to have shown bad effects from either. He was married several times, and is said to have been the father of thirty-seven children, most of whom are dead.

Nasal CATARRH. In all its stages there should be cleanliness. Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly. Large Size, 50 cents at Druggists or by mail; Trial Size, 10 cents by mail. ELY BROTHERS, 56 Warren Street, New York.
