Chinese and Japs May Vote in Canada.

VANCOUVER, B. C., Nov. 6.—Five thousand Japanese and Chinese who have been naturalized during the past year may vote at the Dominion election in British Columbia on December 7th. The Conservatives of Vancouver have obtained legal opinions that Japanese are all entitled to vote just as soon as their naturalization papers are made out.

A telegram received from David Mills, Canadian minister of justice, admits the general contention that the Japanese may vote, but suggests that the election returning officers in each case take competent legal advice in their own localities and act upon it.

Editor's Awful Flight.

F. M. Higgins, editor Seneca, Ill., News, was afflicted for years with piles that no doctor or remedy helped until he tried Bucklen's Arnica Salve. He writes two boxes wholly cured him. It's the surest pile cure on earth and the best salve in the world. Cure guaranteed. Only 25 cents. Sold by Blakeley, the druggist.

Have Agreed to Arbitration.

NEW YORK, Nov. 6.—A dispatch to the Herald from Valparaiso says: Significant announcement is made in view of the reported agreement of five South American republics to apply arbitration in the settlement of their disputes that Chile is about to reduce her navy. The government will sell one third-class cruiser to Ecuador and another to Peru and two torpedo boat destroyers to Japan. The fact that one of the warships will be sold to Peru, which is one of Chile's opponents in the Taena-Arica dispute, gives additional weight to the declaration that a settlement of the controversy will be effected soon.

Changes His Plan of Campaign.

NEW YORK, Nov. 6.—Secretary Root found it necessary some days ago to issue special instructions to Mayor-General MacArthur, governor-general of the Philippines, regarding the conduct of the campaign in Luzon, says a Washington dispatch to the Herald. These instructions were due to dissatisfaction over the successful operations of the Filipinos. General MacArthur's policy was to scatter the troops over a wide range of territory, carrying out in this way the policy

initiated by General Otis. Filipinos assembled in sufficiently large numbers to make vigorous assaults upon American garrisons, who in some instances suffered distinct reverse.

The war department is understood to have directed General MacArthur to prevent further successful operations by collecting his troops in sufficient force to destroy any bands with which they may come in conflict. No important insurgent operations have occurred for some days, and it is believed the execution of the department's instructions is responsible for this.

General MacArthur's friends say he is handicapped by the absence of troops in China, but the fourteenth infantry left Taku on Saturday for Manila. Other regiments will follow and General MacArthur will have about 70,000 men with whom to inaugurate a campaign against the insurgents.

Reverend Brown Ill.

NEW YORK, Nov. 6.—The Rev. Dr. John Wesley Brown, the rector of St. Thomas' Protestant Episcopal church in this city, and one of the best-known clergymen in this diocese, is dangerously ill but his family is unwilling to speak freely concerning his condition. Dr. Brown's church, which is in Fifth avenue, is a very large one, and is noted for the number of its wealthy and fashionable parishioners.

Dr. Brown is 63 years old. He was a civil engineer, but became a Methodist minister in 1896, and later joined the Episcopal church. He had a church at Middleton, Del., and went thence to Trinity church, Philadelphia; Christ church, Detroit; Trinity church, Cleveland, O., and St. Paul's Cathedral, Buffalo, where he stayed for six years and nearly trebled the income of the cathedral.

Many fashionable weddings have taken place at St. Thomas since he has been rector, included those of Miss Consuelo Vanderbilt and the Duke of Marlborough; Miss Pauline Whitney and Almerje H. Paget, and Miss Clarke, daughter of Senator W. A. Clark, and Dr. Morris.

To Fight Against Aginaldo.

NEW YORK, Nov. 6.—A Washington dispatch to the Herald says that Adjutant-General Corbin has received from Judge Taft, president of the Philippine commission, a dispatch forwarding a message from Senor Buencamino, formerly secretary of foreign affairs in Aginaldo's cabinet. It is understood that Senor Buencamino, besides unreservedly accepting American sovereignty, submits a proposition to organize a force of Filipinos to make war upon the supporters of his former chief.

THOROUGHLY GOOD COTTON COMFORTS

Buying Cotton Comforts is risky business. It's mighty easy to get the cheap-no-account, shoddy-filled apologies for bed-clothing which soon wears in holes and becomes "bunchy." But we sell the "Snow Flake" and "Downline" Cotton Comforts, which are made by the largest and best-known manufacturers of this class of goods.

The filling is put in evenly and smoothly, and so fastened that it will stay that way during the life of the covering.

And the coverings! You never saw such a host of unique and attractive patterns in every conceivable color-combination and effect.

Prices? Well, they're mighty modest. These examples will give you an idea of the line:—

"SNOW-FLAKE"—Covered with fancy figured silkene and tied with worsted; size 70x75 inches; each \$1.65

Same, finer quality cotton and covering; 74x77 inches; each \$2.00 and \$2.45

"DOWNLINE"—Best silkene covering filled with purest laminated cotton; 72x83 inches; price each \$2.95 and \$3.45

President McKinley carried Multnomah county yesterday by approximately 5000 plurality over Bryan, and more than 4900 majority over Bryan, Woolley, Barker and Debs. Returns from 76 of the 80 precincts in the county give him 9459 plurality, of which the city of Portland contributed 4839. The precincts yet to be heard from are expected to increase the plurality to 5500, with votes to spare.

Colonel John McCracken, the republican candidate for representative to fill the vacancy caused by the death of A. J. Knott, ran 2:00 behind McKinley, but he easily distanced Jeffery, his democratic opponent, and had a handsome majority. His plurality will exceed 3500. Jeffery did not get the full Bryan vote by 250.

The vote was surprisingly light for a presidential election and weather that was spring-like. Little interest was manifested by either republicans or democrats, and it was apparent early in the day that the poll would fall far under the spring registration. In Portland the vote was about 3000 less than the registration, and in the entire county about 3500 less. The total vote of the county is over 3000 votes less than the poll for

president in 1896. Compared with 1896, McKinley's vote is 1931 less this year and Bryan's is 2019 less. Final returns will slightly reduce these shortages. Notwithstanding the republican decrease, McKinley's plurality is about 5500 this year, against 5371 in 1896.

The prohibition, regular populist and social democratic vote was comparatively light. All told, it will not begin to touch Bryan's vote in Multnomah county in 1896, which was 6453.

Reduced Wheat Acreage.

OREGON CITY, Nov. 5.—Farmers have not sown as much fall wheat as usual, for the reason that the continued dry weather did not put the ground in fit condition for plowing, and the recent heavy rains have further interfered with the work. Many of the farmers in the vicinity of Molalla and Liberal are sowing clover on the grain stubble, with a view to enriching the soil by a change of crops.

Much of the land in this section has been continuously planted in grain for many years without summer fallowing or giving the ground a rest. Clover makes excellent hay, producing two crops a year, and its roots, when plowed under, tend to enrich the soil.

Catarrah Cannot Be Cured.

with local applications, as they cannot reach the seat of the disease. Catarrah is a blood or constitutional disease, and in order to cure it you must take internal remedies. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. Woman With a Shotgun.

PHOENIX, Ariz., Nov. 6.—A shotgun in the hands of a woman ended the career of Ventura Peco, a Mexican robber, in a sensational manner last night. Mrs. Bena Peterson heard a noise in the cattle corral, in the rear of the house. Taking a shotgun, she went to investigate, and saw a man trying to steal a calf. She fired both barrels into his body, killing him instantly.
