CARRIED THE STATE OF WASHINGTON

Rogers for Governor—Democratic Candidate Appears to Be Elected—His Plurality is About 2,000.

PORTLAND, Nov. 8.—McKinley has carried the state of Washington by a plurality approaching 10,000, and it may possibly exceed that figure. The task of obtaining accurate returns from the various counties has been attended with unusual difficulties, and from many counties it has been possible to obtain only statements of majorities, actual or estimated. The western Washington counties, except King, have as a rule given unprecedented republican pluralities. Clark gives 600, Lewis 500, Cowlitz 345, and Pierce rolls up more than 2000. Walla Walla, on the east side, gives 650, and Spokane 350. The congressional ticket runs well along with the presidential, and both Cushman and Jones are elected by large majorities, at least 8000. Cushman's home county, Pierce, gave him 2750.

Frank has been slashed in every county of the state. He loses King, Pierce and Spokane counties, and his pluralities come only from the smaller counties. Some of the southwestern counties have given him very handsome pluralities, and it looked for a time last night as if he might overcome the Rogers lead, but at midnight returns from eastern Washington and from his own county of King seemed to make it clear that he had lost the election. It is still possible that the final returns may so reduce the Rogers pluralities as to count him in, but it does not seem at all likely that it can be done.

No returns are available as to the legislature, but it is undoubtedly republican.

Child Was Crushed to Death.
PORTLAND, Nov. 7.—Through an unfortunate accident, little Master Raymond Oliver Miller, 4 years old, lost his life last evening. He was thrown in front of a log, which his father was about to start down hill for the amusement of the children, and crushed to death. F. A. Miller, the father, has charge of the Ladd farm, three miles and a half

out on the Canyon road. Last evening about 5 o'clock, he started out in the field, accompanied by his two sons. Little Raymond wanted his papa to roll a log down hill to see it roll. Mr. Miller, in order to amuse him, got a good-sized log in place all ready to roll. The little fellow was to start it. In some way or other his clothes were caught upon the log, which threw him over it and directly in its path. In a flash, even before the horrified father could speak, the log had passed, leaving behind the crushed remains of the little boy. Death was almost instantaneous.

Coroner Rand was notified, but did not see any occasion for holding an inquest.

McKinley and the Cubans.

HAVANA, Nov. 6.—The Cuban constitutional convention reassembled this afternoon and adopted resolutions to send to President McKinley the following telegram: "The Cuban constitutional convention has the honor and satisfaction to respectfully salute the president and congress of the United States and to express its sentiments of gratitude to the American people."

General Maximo Gomez, in a letter to Havana papers, says he will not accept office under the Cuban republic. "As a revolutionist," he declares, "I have always understood that from the moment the revolution was over, my mission will be terminated. What remains to be done to attain the felicity of the land is not a matter to be decided by cavalry charges. The problems pressing for solution must be solved with prudence and calmness and without ardent patriotism that might be necessary at other times."

Robbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised 'Electric Bitters'; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Blakeley's drug store.

OREGON HAS NO USE FOR BRYAN

Plurality Against Him Grows—And Still 209 Precincts Are Unreported.

Yesterday's additions to the returns of the Oregon election slightly increased the republican plurality in the state—from 14,105 to 14,225. These figures are yet subject to material change, however, for they are based on unofficial reports from only 560 of the 769 precincts in the state, the results in the other precincts being estimated. The 560 precincts report votes as follows:

McKinley	40,527
Bryan	28,180
Woolley	1,346
Debs	854
Barker	128

Total 70,935
McKinley's plurality 12,347

It is estimated that the unreported precincts will add 1868 to the republican plurality. The precincts from which no return has yet been received are the smaller and remoter ones. Probably the total vote of the state will not reach \$5,000. In the precincts that have been reported there has been little attention to giving the votes of the three minor parties, and the official figures will surely show a material increase for them above the totals given this morning.

Scalp Bounty Fund.

SALEM, Nov. 7.—State Treasurer Moore received today from Malheur county \$937.84 to be credited to the scalp bounty fund. This amount is about one-tenth of the sum already received from that fund by Malheur county. One of the peculiar things about this scalp bounty fund is that the counties which receive the largest amounts therefrom are as tardy as those who receive almost nothing in collecting and forwarding their share of it. Almost all the big sheep counties have so far failed to send in the amounts levied against them. It must be that they are not anxious to have the law continued or they would show a willingness to contribute their share to make it operative.

Editor's Awful Fight.

F. M. Higgins, editor Seneca, Ill., News, was afflicted for years with piles that no doctor or remedy helped until he tried Bucklen's Arnica Salve. He writes two boxes wholly cured him. It's the surest pile cure on earth and the best salve in the world. Cure guaranteed. Only 25 cents. Sold by Blakeley, the druggist. 5

Both Houses are Safe.

WASHINGTON, Nov. 7.—The next senate, assuming that the state legislatures will fulfill their duty and choose senators to represent their states, will stand, on the basis of yesterday's election, 49 republicans, 27 democrats and 9 independents, with the legislatures in doubt in three states, with the privilege of electing four senators at this time. The legislatures in doubt are Delaware and Nebraska, in each of which states two senators are to be chosen, and Idaho, with one senatorial chair to be filled. Among those classified in the independent column are Senators Stewart of Nevada and Kyle of South Dakota, who in the last congress acted with the republicans on all party matters; Turner of Washington and Harris of Kansas, who acted with the democrats, and Wellington of Maryland.

New York Market.

CHICAGO, Nov. 7.—Wheat opened higher this morning on better cables, Liverpool being up 3/8d, 6-13/8.

New York opened at 79 3/4, December, and had frequent and rapid fluctuations between 79 3/8 and 78 3/4, closing at the bottom. Some of the heavy operators were free sellers on the advance. Stocks were very strong as a result of the election.

It Happened in a Drug Store.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." It is for sale by G. C. Blakeley, the druggist.

"Shot Full of Holes."

LINCOLN, Neb., Nov. 7.—"To have been shot full of holes" is the way Bryan's closest friends refer to yesterday's election. The crushing defeat of the Nebraskan has cast a deep gloom over the populist national headquarters. Bryan's cherished hope was for a plurality of the popular vote, whether he was successful or defeated, and the blow delivered has staggered him. The great republican gains in Lincoln and the state of Nebraska were the least expected by Bryan.

"For three days and nights I suffered agony untold from an attack of cholera morbus brought on by eating cucumbers," says M. E. Lowther, clerk of the district court, Centerville, Iowa. "I thought I should surely die, and tried a dozen different medicines but all of no purpose. I sent for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and three doses relieved me entirely." This remedy for sale by Blakeley, the druggist.
