D. Creighton, of Three Mile, yesterday consigned to a Portland commission house ten boxes of Newton Pippin apples to form part of a shipment of fruit to China as an experiment of what it may be possible to do in that line of exports.

W. H. Butts today sold to a man from Pleasant Home the Martin Wing house and lot on the bluff near the Tackman greenhouses. The consideration was \$500 cash. Mr. Wing intends to move back to his ranch in the Wamic country.

Owing to the death of their esteemed neighbor, Jas. Huntington, the Women of Woodcraft will not have their entertainment this week. Mr. Huntington had been a member only about six months. This is the first loss of a benefit member Cedar Circle has had.

Five families recently arrived from the Middle West have bought farms and settled in Morrow county, northwest of

Heppner. They say that they are making money by the move, as they sold their old farms at \$90 an acre and have bought just as good soil at \$10 an acre, with a much better climate.

Money-lenders are doing a land office business these days, so they say, and in nearly every instance the loans are solicited by farmers for the purpose of buying more lands. The brokers say it is a very rare thing to find a farmer asking a loan in order to pay an old debt, but when he does the loan is only for a short time, and is solicited because the farmer refuses to sell his wheat at the prevailing price.

A man named Lindley, who claims to have been working on the railroad near Mosier, while attempting to cross the track in the neighborhood of the Wasco warehouse last night, was struck by cars and driven against the platform of the warehouse, sustaining a broken collar bone, a broken rib and severe bruises on the left hip. He was brought to the city jail, where his injuries were attended to this forenoon by Drs. Logan and Geisendorfer.

News from the middle fork of the John Day river tells of considerable excitement there over the discovery of sylvanite mixed mine, which is owned by D. B. Stafter, of Heppner. This is said to be the first sylvanite discovered on the Pacific coast, and the ground all around the Mayflower has been located. Old miners say it is a second Cripple Creek. Snow is already accumulating in that locality and interfering with work.

At the suit of Superintendent Gardner, of the Portland Boys' and Girls' Aid Society, Mrs. I. Brown was summoned before Judge Blakeley this afternoon to show cause why she should not surrender to the society her three minor children aged 10, 5 and 2 respectively, on the ground of having grossly abused her maternal authority over them by gross and criminal neglect and of being unfit to have them in her care or custody. The case is under hearing as we go to press.

Sheriff Kelly has succeeded in having captured at Portland one of the thieves that a short time ago broke into the store of W. A. Johnston and stole a lot of cutlery. The thief, who gives his name as Wilson here but went by the name of Howard in Portland, was arrested by the Portland chief of police in response to a telegram sent him by the sheriff of Wasco county. Some of the stolen property was found on his person and has been identified by Mr. Johnston. Sheriff Kelly brought him here to answer for his crime.

A fair-sized congregation met in the M. E. church last night to hear Rev. Chris Nickelsen in the opening service of a protracted effort that is intended to last over several weeks. Mr. Nickelsen's theme was the "Curse of Meroz," and it was a remarkably able effort, commanding the earnest attention of his congregation from start to finish. Mr. Nickelsen is a rising young man who is justly esteemed one of the ablest

preachers in The Dalles district. He will preach again tonight. Everybody is earnestly invited to hear him.

Discoveries of pearls in the upper Mississippi river has caused a tremendous rush to the clam beds. Boats are crowding the river, and more than 1000 persons are encamped along the river banks. The finding of a few thousand dollars' worth of pearls started the raid. One of the pearls recently found weighed 100 grains, and is said to be the largest pearl yet taken from the river. It was sold for \$3000.

The board of officers detailed by the war department to find, if possible, an emergency ration that will meet all the requirements of troops engaged in active warfare, while away from their base of supplies and in a hostile country, where provisions are scarce, left Reno, O. T., with a detachment of twenty-five men from Troop A, Eighth cavalry, for experimental purposes. The men will observe the same routine as if they were engaged in an active campaign against an enemy.

Complete returns from 24, and incomplete returns from one of Wasco county's 25 precincts, indicate McKinley's plurality to be 532, which is a gain of 56 per cent over the plurality given in 1896, and shows an advance of 16 1/2 per cent over the republican plurality of last June, based on the vote cast for dairy and food commissioner. All but three precincts in the county show a republican gain upon the vote in June, the total of which was practically the same as at yesterday's election, both being about 500 less than the registration. The practically complete vote of Wasco county gives McKinley 1552, Bryan 1020, Wooley 80, Barker 8, Debs 37. The vote polled for Debs, Barker, Wooley and Bryan combined is 222 less than the Bryan vote cast in 1896.

W. H. Quinn, of Grizzley, Crook county, arrived here today from Huntington, Oregon, where he disposed of all his sheep. After a rest of a year or so he expects to go back into the sheep business.

Dr. T. W. Huntington, of San Francisco, arrived here on the noon train in answer to a dispatch announcing his brother J. M.'s illness. Unfortunately he was not able to reach here till the end came.

Death of James M. Huntington.

Mr. James M. Huntington, assistant postmaster of The Dalles, died at his home in this city this (Thursday) morning between 4 and 5 o'clock, of inflammation of the spine.

Mr. Huntington was born at Rockford, Ill., March 8, 1855. With his parents he went to Olympia, Wash., in 1867, where he grew from a boy to manhood. In 1882 he settled at the site of the present town of Huntington, Baker county, Or., where, with an older brother, he was engaged for some years in the mercantile business, and from these brothers the town was named. In 1884 he married Mary B. Mills, formerly of Olympia, who survives him. In the year 1886 he came to The Dalles and accepted the position of deputy county clerk under George H. Thompson, which office he held four years. Since that time he has been engaged in the abstracting, real estate and insurance business.

Throughout his entire business career his life has been marked by the strictest faithfulness to every trust. His fidelity and integrity were never questioned. When Mr. Forrest Fisher assumed charge of the U. S. postoffice at this place some months ago he selected Mr. Huntington as his assistant.

He has been, ever since he came to The Dalles, a faithful member of the Congregational church, and has served as deacon during the past six or eight years. He was also an active member of several of the benevolent and insurance orders.

Mr. Huntington had only been ill about a week, and his sudden demise was a great shock to the community in which he has been so long and favorably known. The deep sympathy of all goes out to the surviving widow and six fatherless children, the eldest of whom is only 15 years old.

The funeral will take place from the family residence, on Seventh street, tomorrow afternoon at 2:30.

VIENTO, Nov. 7, 1900.
