Editor's Awful Flight.
F. M. Higgins, editor Seneca, Ill., News, was afflicted for years with piles that no doctor or remedy helped until he tried Bucklen's Arnica Salve. He writes two boxes wholly cured him. It's the surest pile cure on earth and the best salve in the world. Cure guaranteed. Only 25 cents. Sold by Blakeley, the druggist.

Do not get scared if your heart troubles you. Most likely you suffer from indigestion. Kodol Dyspepsia Cure digests what you eat and gives the worn out stomach perfect rest. It is the only preparation known that completely digests all classes of foods; that is why it cures the worst cases of indigestion and stomach trouble after everything else has failed. It may be taken in all conditions and cannot help but do you good. Sold by Clarke & Falk.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

Chinese Officials Executed.
PEKIN, Nov. 6.—Via Shanghai, Nov. 9.—Four of the leading officials of Pao Ting Fu, including Ting Yang, the acting viceroy of Pe Chi Li, and General Kwei Hing were executed November 5th, under the sentence imposed by the tribunal of the allies.

When you cannot sleep for coughing, it is hardly necessary that any one should tell you that you need a few doses of Chamberlain's Cough Remedy to allay the irritation of the throat, and make sleep possible. It is good. Try it. For sale by Blakeley, the druggist.

Hopes of Grover Cleveland.
New York, Nov. 9.—In response to a query from a correspondent of the World ex-President Cleveland, at Princeton, wrote and signed the following:
"I have heard nothing about a movement on foot for the regeneration of the democratic party, but I hope steps will be taken in that direction. I am not willing to make any statement now."

Torturing skin eruptions, burns and sores are soothed at once and promptly healed by applying DeWitt's Witch Hazel Salve, the best known cure for piles. Beware of worthless counterfeits. Sold by Clarke & Falk.

Feelings of safety pervade the household that uses One Minute Cough Cure, the only harmless remedy that produces immediate results. It is infallible for coughs, colds, croup and all throat and lung troubles. It will prevent consumption. Sold by Clarke & Falk.

The Wheat Trade.
Portland trading ruled quiet the past week, owing principally to holders refusing to sell at present limits. Shippers have placed their bids on a level with English market values, and have no present need for loading stuff. They decline to pay from 2 to 5 cents per bushel more for wheat than they themselves can sell at, and are content to wait until such time as sellers are willing to meet the market, or an advance abroad should justify raising prices here. There is no doubt whatever about exporters being fully supplied with grain, not only to meet the wants of tonnage at hand, but the needs of pre-chartered vessels have been largely anticipated. The shipments of wheat and flour from July 1st to October 31st from Puget Sound and the Columbia river, flour reduced to wheat, amounts to over 7,500,000 bushels.
Reports from various sections of the interior indicate that about forty per cent of the crop is out of the farmers' hands and is held by interior merchants and warehousemen. Receipts have been very liberal, and there is selling going on constantly, but not in any very large lots. If the market should take an upward spurt of three or four cents, fully thirty per cent of the crop now held by the farmers would come out. As it is, most of them are pursuing an awaiting policy. Warehouses here are heavily taxed with grain, notwithstanding the very large shipments made in October, and they show very little depletion, as cars are waiting daily to be unloaded. Notwithstanding the low price being paid, sellers are getting full values on sales, while growers get but small results from their season's work. The late foreign improvement has not been reflected here as to values, owing to the fact that local values have been too high right along. Exporters were giving part of the profits on cheap ships to the grower. We quote Club 53: Bluestem 56; Valley 60c per bushel.—Portland Commercial Review, Nov. 8th.

...COLUMBIA BREWERY...
AUGUST BUCHLER, Prop.
Of the product of this well-known brewery the United States Health Reports for June 25, 1900, says: "A more superior brew never entered the laboratory of the United States Health reports. It is absolutely devoid of the slightest trace of adulteration, but on the other hand is composed of the best of malt and choicest of hops. Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by old and young. It use can conscientiously be prescribed by the physicians with the certainty that a better, purer or more wholesome beverage could not possibly be found."
