

TRIUMPH OF AMERICANISM.

The result of the presidential election, says the Harney County News, so far as is now known here is very gratifying evidence that the American people may be, under all circumstances, depended upon to follow the dictates of rational judgment in shaping the course of their public and private affairs.

With congratulations to those voters in Harney county who have seen the true light and been guided by its rays, we express our personal gratification for their assistance in maintaining the handsome majority which Oregon has given to the cause of sound government and a flag un-stultified.

Bryan, Stone, Altgeld and the rest of the political buccaners who have been running the democratic party to ruin in the past four years will now drop into obscurity, says the Globe-Democrat. They have inflicted great damage on the country at home and cast discredit upon it in the rest of the world.

Southern California.

Notable among the pleasures afforded by the Shasta Route is the winter trip to Southern California and Arizona. Renewed acquaintance with this section will ever develop fresh points of interest added sources of enjoyment, under its sunny skies, in the variety of its industries, in its prolific vegetation and among its numberless resorts of mountain, shore, valley and plain.

Illustrated guides to the winter resorts of California and Arizona may be had on application to C. H. MARKHAM, G. P. A., Portland, Oregon.

HELEN IS NOT POPULAR.

The New Queen of Italy is Not Thought Well Of by the Common People.

Though a woman of great beauty and many charming accomplishments, Queen Helen of Italy does not promise to become a favorite with the people. Cold and undemonstrative, reserved and taciturn rather than effusive, her qualities are calculated to appeal rather to the Piedmontese—highlanders like herself—than to the population of the rest of Italy.

Queen Margherita's popularity was a source of strength to her husband as ruler. Even at the moment when, owing to the mistakes, domestic and foreign, of his ministers, he was most unpopular and reviled as "the Austrian colonel," she always remained an object of so much affection on the part of the people of every shade of political opinion that the field daisy was chosen in her honor as the emblem of a number of political societies, some of them, such as the Italia Irredenta, being hostile alike to the government and to the king.
