## LAWTON'S HISTORIC LETTER

Full Text of His Epistle Damning Anti-Expansion Agitators

LOUISVILLE, Ky., Nov. 10.—Mrs. H. W. Lawton, widow of the American general killed by a Filipino sharpshooter, has given out in full the letter to the Hon. John Barrett, written by her husband. Part of the letter had been printed before. It indicates on whom General Lawton would place the blame for the continued fighting of the Filipinos. This is the letter:

"Manila, P. I., October, 1899.—The Hon. John Barrett, ex-Minister to Spain, Review of Reviews, New York City: Dear Sir—Your letter, with proof of your article for the Review of Review, duly reached me. I thank you for them. I handed them to some officers to read and they have not returned them or I have mislaid them, so that I am not quite sure of your address. Think your letter was headed the Waldorf, but will send this care the Review of Reviews. As I may be leaving Manila any day and am very busy, will answer without further delay.

"I appreciate the importance of your suggestion and questions and regret I have not time to discuss them more fully.

"This article is like your other—the best matter being published in America on the Philippines and Asia. Things were a little slow at first, but words were put into my mouth that I never said. "I agree with you that mistakes have been made here, but I would to God that the whole truth of this Philippine situation could be known by every one in America. I wish the people could know it as I know it, and as you know it, for I regard you as the best-informed and most important authority on all these Asiatic questions, and I think the president made a mistake in not naming you a member of the Philippine commission.

"I agree that if the real facts in connection with the history, inspiration and conditions of this insurrection, and the hostile ruptures, local and external—such as the Katipunan Revolutionary Society and juntas that now encourage

the enemy, as well as the actual possibilities of these Philippine islands and their relation to this great East which you have set forth so ably—could be understood at home in America, we would hear no more political talk of unjust shooting of government into the Filipinos or of unwise threats of hauling down our flag in the Philippines.

"You are right. Some of us have modified our views since we first came, and if these so-called anti-imperialists of Boston would honestly ascertain the truth on the ground here, and not in distant America, they, whom I dislike to believe to be other than honest men misinformed, would be convinced of the error of their exaggerated statements and conclusions, and of the cruel and unfortunate effect of their publications here. It is kind of you to caution me about exposure under fire, but if I am shot by a Filipino bullet it might as well come from one of my own men. There are strong words, and yet I say them, because I know from my own observation, confirmed by the stories of captured Filipino prisoners, that the continuance of the fighting is chiefly due to reports that are sent out from America and circulated among those ignorant natives by the leaders, who know better.

"This letter, which, of course, is strictly personal, does not answer all your questions, but it is a long one for me; as I want to encourage you in your labors to make the truth known. Hope I shall see you out here soon in some high civil position. We soldiers need practical men like you to help us. Thanking you again for your kind words in praise of my humble efforts, I am, yours, very truly, "H. W. LAWTON.

"P. S. Will try to find and inclose copies of the orders and list you spoke of."

## A. M. WILLIAMS & CO.

### English Pastor May Succeed Moody.

NEW YORK, Nov. 14.—The Journal and Advertiser prints the following: The news that the life of Dwight L. Moody is to be taken up by the Rev. G. Campbell Morgan, of London, has been favorably received by all those who heard Dr. Morgan preach when he was in New York. He is a speaker of magnetic power. The information that Mr. Morgan has been invited to come to this country by Will Moody, son of the dead evangelist, has just been made public. The invitation is seconded by the trustees of the Moody schools.

"But it is too early to style him Moody's successor," said R. A. Torrey, superintendent of the Bible Institute in Chicago, which was a Moody institute. "The place of the great evangelist cannot be filled on hand."

Mr. Morgan is only 37 years old. When 23 years old he began to preach. His first pastorate was in the city of Hull. There he told the citizens with great frankness what he thought of their morals. In 1893 he was pastor of the Westminster Congregational church at that place.

Mr. Moody took a great liking to Mr. Morgan. He invited him to Northfield, Mass., and induced him to speak at his meetings. During his visit to this country Dr. Morgan preached with great success at Dr. John Hall's church, and was at one time suggested as Dr. Hall's successor. At present Mr. Morgan is pastor of the Newcourt Congregational church, in London, a church three years old.

### It Happened in a Drug Store.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." It is for sale by G. C. Blakeley, the druggist.

Clark & Falk are never closed Sunday. Don't forget this.

### Patrons of Husbandry.

WASHINGTON, Nov. 14.—The 34th annual session of the National Grange, Patrons of Husbandry, began here today with a good attendance, and will continue for a week or more. The chief feature of interest today was the annual address of worthy Master Aaron Jones, of Indiana, who said that in most of the states the order had enjoyed great prosperity during the year. In a few states it had not succeeded so well. The members of the Grange, while affiliating with each of the political parties in the last campaign, had emerged from its battles without disturbing the fraternal spirit actuating the order. Never had the conditions been more favorable for the extension of the order than now.

While agricultural conditions are somewhat improved over what they were a few years ago, they are not what they should be, said Mr. Jones. The prices of articles farmers buy, he said, are too high, compared with those of what they had to sell, and such remedial action should be had as would cause an equitable adjustment of prices in all the leading staples. He urged opposition to the ship-subsidy bill, and spoke of the growth of industrial combination "until the entire country is justly alarmed." He urged an amendment to the constitution, clear and expressive in its terms, empowering congress with the right and authority to regulate corporations. The interstate commerce law, the worthy master argued, should be amended so that all sections of the country could secure fair and equitable freight rates. This being secured, the hardest blow that at this time could be struck to monopolies and trusts and the greatest encouragement to enterprise and thrift would be given.

The report of the secretary, Dr. John Trimble, of Washington, showed that 182 new granges had been chartered during the year, the order now numbering over 500,000 members.

Do not get scared if your heart troubles you. Most likely you suffer from indigestion. Kodol Dyspepsia Cure digests what you eat and gives the worn out stomach perfect rest. It is the only preparation known that completely digests all classes of foods; that is why it cures the worst cases of indigestion and stomach trouble after everything else has failed. It may be taken in all conditions and cannot help but do you good. Sold by Clarke & Falk.
