

SORE HANDS

Red, Rough Hands, Itching
Burning Palms and Painful
Finger Ends

ONE NIGHT TREATMENT

Soak the hands on retiring in a strong, hot, creamy lather of CUTICURA SOAP. Dry, and anoint freely with CUTICURA, the great skin cure and purest of emollients. Wear, during the night, old, loose kid gloves, with the finger ends cut off and air holes cut in the palms. For red, rough, chapped hands, dry, fissured, itching, feverish palms, with shapeless nails and painful finger ends, this treatment is simply wonderful.

Millions of Women Use Cuticura Soap

Exclusively for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, in the form of baths for annoying irritations, inflammations, and chafes, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and for many sensitive antiseptic purposes which readily suggest themselves to women, and especially mothers, and for all the purposes of the toilet, bath, and nursery. No amount of perspiration can induce those who have once used it to use any other, especially for preserving and purifying the skin, scalp, and hair of infants and children. CUTICURA SOAP combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. No other medicated soap ever compounded is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair, and hands. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it combines in ONE SOAP at ONE PRICE, viz., TWENTY-FIVE CENTS, the BEST skin and complexion soap, the BEST toilet and BEST baby soap in the world.

Complete External and Internal Treatment for Every Humor. CUTICURA THE SET 25 CENTS. Sold by all druggists.

Beach & Bowers' Minstrels.

Concerning Beach & Bowers' minstrels, who will appear at the Vogt on Thursday, Nov. 23d, the Seattle Times says:

"The first appearance in this city of Beach & Bowers' minstrels drew a large crowd of theater goers to the Seattle theater to witness the initial performance of the aggregation. The large audience had no reason to be disappointed with the entertainment, which easily surpasses that of any other traveling minstrel companies in humor and originality. The chords that provoked laughter on the part of the audience were kept vibrating the whole evening. "The members of the company are all first-class minstrels and fun-makers. Good judgment has been used in the selection of each individual of the aggregation, which is one of the best known in the United States. From end men to the interactor constant waves of merriment would be rippling. "A feature of the show is Don Gordon whose astonishing trick bicycle riding is a revelation. His performance on a single wheel is little short of marvelous, and as he makes his way about the stage as if by magic, he arouses the spectators to the highest pitch of enthusiasm. "The acrobatic trio, consisting of Harry Freeman and the Smith brothers, is very good. The first part of their performance introduces a striking novelty, the dogs being a show in themselves."

Of the product of this well-known brewery the United States Health Reports for June 28, 1900, says: "A more superior brew never entered the laboratory of the United States Health Reports. It is absolutely devoid of the slightest trace of adulteration, but on the other hand is composed of the best of malt and choicest of hops. Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by old and young. It is used conscientiously prescribed by the physicians with the certainty that a better, purer or more wholesome beverage could not possibly be found."
