Private School—Day or Evening.

All aboard for Texas, of some other seaport! Crash Dash! Smash! A whole train turned topsy-turvy and flying through the air, wrong end foremost! A whole cage of wild beasts and reptiles turned loose at once—slanders, flatters, back-biters, whisperers and other unclean birds to prey upon the community without favor or mercy. Look out for them! Here we come, hell-mil! Anything you want from the A, B, C's to any language, living or dead; from a pin to a double-header, with the tender thrown in; from a pussy cat to a wooden horse with three broken legs and the other lame, one eye blind and can't see out of the other; cradles and coffins and all intermediate articles. Look out the window with your leather speedogees to see the great evolutionist in his lightning act of jumping over the moon blindfolded next week at 10 o'clock. Rah for McKinley and Bryan or any other man so as to raise three sheets in the wind.

Come to see me and learn my terms, Don't tell anybody lest the room be overcrowded. Children from 3 years to 1000. Remember the place, Second street, first door west of Diamond flouring mill, second floor.

Berto Ricans and Self-Government.

WASHINGTON, Nov. 21.—In a personal letter, Governor Allen, of Porto Rico, describing briefly the great work attending the first election in the new possession, says it proved no small task to bring the people of the island up to a proper understanding of the importance and significance of the occasion. They always have been governed by military rule, and the privilege of the franchise was something new and novel to them. The total registry was about 122,000. The republicans refrained from voting. The republicans had a majority of 60,000, and elected every member of the legislature.

Great interest is shown in the coming meeting of the legislature on the 3d proximo, as it will be the first time in its history that the people of the island have had an opportunity of legislating for themselves.

Sumper's Narrow Escape.

SUMPTER, Nov. 21.—P. D. Healey's business building, on Granite and Center streets, turned early this morning. The loss cannot be estimated, but the monthly rentals aggregated over \$200. The saloons of Henry Finger and J. W. Cox, on the ground floor, saved their fixtures and stock but the lodging house above and its fifteen occupants, were not so fortunate. Cox suffered a heavy loss last May, as in this case, with little insurance.

Absence of wind and yesterday's heavy snowfall, with the volume of water poured in from the city reservoir, whose capacity had recently been quadrupled, alone saved the town from being swept by fire. Two hose nozzles were found to be plugged when the alarm sounded, and the chemical engine was disabled.

Bismarck's Iron Nerve.

Was the result of his splendid health. Indomitable will and tremendous energy are not found where stomach, liver, kidneys and bowels are out of order. If you want these qualities and the success they bring, use Dr. King's New Life Pills. They develop every power of brain and body. Only 25c at Blakeley's drugstore.

Lord Roberts Badly Injured.

Why pay \$1.75 per gallon for inferior paints when you can buy James E. Patton's sun proof paints for \$1.50 per gallon, guaranteed for 5 years. Clark & Falk, agents.

When you cannot sleep for coughing, it is hardly necessary that any one should tell you that you need a few doses of Chamberlain's Cough Remedy to allay the irritation of the throat, and make sleep possible. It is good. Try it. For sale by Blakeley, the druggist.

Clark & Falk are never closed Sunday. Don't forget this.
