

PEOPLE COMING AND GOING.

S. F. Blythe, of the Hood River Glacier, was in town for a short time yesterday.

William Kintz and C. B. Wood were in town yesterday from Mosier.

Miss Grace Hobson returned yesterday to Portland to resume her studies in the Business College.

Miss May Enright returned to Portland yesterday after a short visit with Dr. and Mrs. Hugh Logan.

Mrs. D. M. French and two children, after spending Thanksgiving here, returned to Portland yesterday.

Miss Esther Hexter, of Portland, spent Thanksgiving with Mrs. Tolmie and returned to her home yesterday afternoon.

Professor Aaron Fraser, who has been a resident of Mitchell for some years, has returned with his family to his old stamping ground at Dufur.

Mr. and Mrs. A. E. Lake and children returned last night from spending Thanksgiving with Mr. Lake's father, Mr. John Lake, of Portland.

Judge Bradshaw went to Moro today, where he will open the December term of circuit court this afternoon. He was accompanied by Judge A. S. Bennett, W. H. Wilson, Frank Meneses, B. S. and Mrs. Huntington and Sam Stark.

The game of football, which had been arranged between The Dalles and Astoria teams for Dec. 8th, has been postponed to a later date. The Dalles team will not play Pendleton on Dec. 22nd, as that arrangement interferes with the game between The Dalles and Portland High schools, at Multnomah field.

Those cravenette coats, gentlemen; don't forget them when looking for an overcoat that will keep off the frost and cold as well as the rain. Although there is no rubber whatever used in the construction of this goods, yet it is entirely and absolutely rain-proof. An assortment of these cravenette coats may be seen at A. M. Williams & Co's.

The new sidewalk on the old brewery grade, for which the council appropriated \$50 at a special meeting held last week, is in course of construction and it is expected will be finished Wednesday. This will be a great convenience, especially in muddy weather, to the residents on that part of the bluff.

To Whom It May Concern,

It having come to my knowledge that parties, presumably interested, are claiming that when I sold out my retail interest at 173, Second street, French's block, I contracted to not open any retail business in the city of The Dalles, I beg to say that I sold my right not to open any retail business between Federal and Washington streets, on Second street, and have and intend to conform to my contract. My place at the Bank Cafe is in no sense in violation of the contract.

Do You Cough?

"I guess I used to be like everybody else. When I caught cold, I just let it alone, thinking it would cure itself in a few days; of course the coughing and spitting of mucus sometimes lasted several weeks, but after a while the trouble would subside. I always noticed, however, that each cold was worse than the one before. My throat seemed to get weaker and the least change in the weather started the coughing again. The last cold was the most severe of all. I was really frightened. Cough drops and home treatment did no good. A friend told me about Acker's English Remedy. I got a bottle, and you never saw the like of the way it acted. Before the bottle was gone I was well. My throat felt as strong and well as could be. Since then I have had no more trouble. I think Acker's English Remedy so strengthens the delicate lining of the throat that it easily resists the changes in temperature, and it builds up the constitution as well."

AUGUST BUCHLER, Prop.

Of the product of this well-known brewery the United States Health Reports for June 28, 1900, says: "A more superior brew never entered the laboratory of the United States Health reports. It is absolutely devoid of the slightest trace of adulteration, but on the other hand is composed of the best of malt and choice of hops. Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by old and young. Its use can conscientiously be prescribed by the physicians with the certainty that a better, purer or more wholesome beverage could not possibly be found."
