The Sewer Question Again.

THE DALLES, Dec. 10, 1900.
TO THE EDITOR:
A communication signed "X" in your paper again opens the sewer question. First, "X" says that the system adopted by the council and beaten by the taxpayers would probably be the cheapest and best. Now, Mr. Editor, all thinking men know that we need sewers; but why should this city adopt a plan of sewerage where the fall, according to "X," is but three inches to the hundred feet, (see plans at recorder's office when nature has provided an abundant fall from bluff to river.
Again, "X" says it would be expensive to go under the railroad at various points. I will cite "X" to the fact that the scouring mill went under the railroad track a whole street at an expense of not more than \$28, exclusive of the pipe, and I believe that the same can be done at most other points when necessary to cross. Laying a drain down Mill creek (if the privilege can be got without expense) I believe would cost more and would be carrying all of our eggs to market in one basket, whereas by the present system we divide the risk.
As to the payment of cost, I say let all pay that attach, or expect to, as a sewer if good for one is good for all.

Millions Given Away.
It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for consumption, coughs and colds, have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, bronchitis, hoarseness and all diseases of the throat, chest and lungs are surely cured by it. Call on Blakeley, the Druggist, and get a free trial bottle. Regular size 50c. and \$1. Every bottle guaranteed, or price refunded.

Reception to Professor Meakin.
Prof. John P. Meakin, head camp lecturer of the Woodmen of the World, arrived in our city last Saturday evening, and spent Sunday with our local Woodmen, who gave him a reception at the Umatilla House last night, after which the party went to Fraternal hall and spent a couple of hours with the professor, listening to a short address, a sweet song and his favorite poems. The following Woodmen were present: Prof. John Meakin, Timothy Brownhill, John Filloon, J. F. Huston, F. H. Watts, W. A. Bell, C. L. Phillips, James Snipes, C. H. Brown, Chas. F. Stephens, James Taylor, Hans Hansen, Chas. Aleky, J. L. Harper, Dr. J. A. Geisendorffer, J. H. Harper, J. B. Galt, Wm. Harper, Louie Conini, O. McNeal, B. Murchie, G. F. Gunther, A. A. Urquhart, H. L. Kock, D. C. Wigg, S. L. Young, H. D. Parkins, Geo. Howlett, W. H. Patton, Jas. H. Blakeney, Bert Bagley, John Pashek.

DeWitt's Little Early Risers are dainty little pills, but they never fail to cleanse the liver, remove obstructions and invigorate the system. Sold by Clarke & Falk's P. O. Pharmacy.

But before we go every article we possess, every Piano and Organ must go. Gilbert & Jones Co., who are to become our successors in Portland, have not bought a single Piano or Organ from us. They have paid us a big sum of money simply to become our successors, for our reputation, for our good will, and for our agencies, so as to control hereafter the sale of the Knabe, Hardman, Steck, Fisher, Ludwig and other Pianos, and under the contract with them we are obliged to get out of Portland in the very near future so as to let them operate in the field which we must relinquish. We have no time to waste, and have therefore instructed our Agent,

I. C. NICKELSEN, The Dalles, Oregon,
to close out all Pianos and Organs on hand at a great sacrifice. We are now closing up our business preparatory to our removal to San Francisco, where will be our headquarters hereafter. If you ever intend buying a Piano or Organ now is the time. Address,
I. C. NICKELSEN,

THE CELEBRATED
...COLUMBIA BREWERY...
AUGUST BUCHLER, Prop.
Of the product of this well-known brewery the United States Health Reports for June 28, 1900, says: "A more superior brew never entered the laboratory of the United States Health reports. It is absolutely devoid of the slightest trace of adulteration, but on the other hand is composed of the best of malt and choicest of hops. Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by old and young. Its use can conscientiously be prescribed by the physicians with the certainty that a better, purer or more wholesome beverage could not possibly be found."
