### "Human Bearts."

If your mind needs relief from the worries of the day, if your heart needs an outlet for its pent-up feelings, if an entertainment is desired which will not leave a bad taste in the mouth as do many forms of amusement now presented in our theaters, see one of the greatest successes of the day, the beautiful melodrama "Human Hearts." Did you like the "Old Homestead?" Did "Shores Acres" please you? If they did, and where is there a living man, woman or child in this broad land of ours that one of these two grand plays have not thrilled, then you will be charmed again with this great successor, "Human Hearts." It is a play with well portioned light and shade, rich in humor, pathos and dramatic incidents, ably acted by a capable company; its story. its purpose and the characters concerned in the plot are revealed with cleanness and force. The attention which has been given to the details of the action and the scenic accompaniment has made THE DALLES, OREGON. "Human Hearts" an artistic success, interest not abating but rather increasing from season to season. It is a play long remembered, not alone because of noveity but also because of the deep impression it makes upon all who witness it, whether young or old.

"Human Hearts" comes to the Vogt opera house Monday, Dec. 17th.

### To whom It May Concern.

It having come to my knowledge that parties, presumably interested, are claiming that when I sold out my retail interest at 173, Second etreet, French's block, I contracted to not open any retall business in the city of The Dalles. I beg to say that I sold my right not to open any retail business between Federal and Washington streets, on Second street, and have and intend to conform to my contract.
