A Reliable Firm.

John C. Freund, editor of Music Trade, gives a hint to piano purchasers: "Ludwig & Co., a popular and progressive firm, both members of which John H. Ludwig and Charles A. Ericsson are practical piano-makers, familiar with all the branches of piano building, and give their personal attention to the supervision of the factory, enjoy the reputation of making first-class instruments. Capacity of factory and actual output, 2,500 pianos yearly. This firm has a modern and up-to-date plant, equipped in a first-class manner. Make their own cases. Their pianos are attractive in design, well and conscientiously made of the best selected materials, and are of superior workmanship. The firm enjoys and deserves the reputation of making an excellent piano of powerful and brilliant tone quality. Their instruments are sold all over the United States by responsible dealers who find them salable pianos, on which they can thoroughly rely. Financial and commercial standing of the highest."

The Ludwig piano makes friends wherever it is sold. At Nickelsen's music store you can buy one below ebb tide.

MONROE DOCTRINE TO BE ENFORCED

Trouble Looms Up Ahead Over Prospective Purchase by French Republic of a Portion of Guiana.

New York, Dec. 17.—A special to the Times from Washington says: The territory until recently in dispute between Brazil and France and which has been decreed to belong to Brazil may shortly become an object of a dispute between France and the United States, should the Monroe Doctrine be violated. The territory lying south of French Guiana in the State of Para, and containing 100,000 square miles, was claimed by Brazil and France, and Switzerland was made arbitrator. Her decision was in favor of Brazil. It is now reported that some French financiers anticipating that the decision would be favorable to France had already invested their capital in this territory. They are now, it is said, trying to engineer a deal by which the French government will buy this land from Brazil.

The state department has absolutely no knowledge on the subject. Its attention, however, has been called to the matter, and the attempt of the French capitalists to secure government aid in getting their money back will be watched with interest. There is hardly any question, it is said at the department, that such action would be a violation of the Monroe Doctrine and would call forth a protest from the United States.

As long as the claim was in its original form, France might have maintained that she was simply rectifying her boundaries, and that the United States cannot object to that. Even in that case a rectification of boundaries which involved an area of 100,000 square miles would be closely scrutinized. France has, however, forfeited the right to make that claim by submitting the matter to arbitration by Switzerland. The territory has been officially decreed by the Swiss tribunal to be outside the boundaries of French Guiana.

To Whom It May Concern.

It having come to my knowledge that parties, presumably interested, are claiming that when I sold out my retail interest at 173 Second street, French's block, I contracted to not open any retail business in the city of The Dalles. I beg to say that I sold my right not to open any retail business between Federal and Washington streets, on Second street, and have and intend to conform to my contract. My place at the Bank Cafe is in no sense in violation of the contract.

Glorious News.

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved,—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion and builds up the strength. Only 50 cents. Sold by Blakeley Druggist. Guaranteed.

Took the Prize at Paris.

The Ludwig pianos took the world's fair prize medal at Paris. Also note what the prima donna of the Royal Italian Opera Company says: "I have used one of your Ludwig pianos for some time and have been very much pleased with its tone. I find your piano particularly adapted for vocal studies, and at present—while practicing several new operas—your piano is my choice again. I will always have a good word for your charming instruments. Respectfully, ELOISE VITTI.

Found With a Bullet Through His Head

HILLSBORO, Or., Dec. 17.—Coroner Vin held an inquest today over the remains of Andrew Dahlberg, who was yesterday found dead in his cabin near Reedville. Dahlberg was an inoffensive farmer about forty years of age, and was reputed to have considerable money about his house. It is generally believed that robbery was the motive which prompted the killing. He had been shot through the head with a rifle or revolver fired through the window.

The jury has not yet returned its verdict, which will in all probability be that deceased came to his death by being struck with a club by parties unknown, as there seems to be no clew to the perpetrators of the fiendish act.

Details are meager, and cannot be fully obtained until the arrival of the coroner.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy and find it to be a great medicine," says Mr. E. S. Phipps, of Poteau, Ark. "It cured me of bloody flux. The quick cures which it effects even in the most severe cases make it a favorite everywhere. For sale by Blakeley, the druggist.
