THE DALLES, OREGON, WEDNESDAY, JANUARY 2, 1901.

NO. 1

NEW YEAR'S FOOTBALL GAME.

The Dalles Victorious by a Score of 17 to 0.

The New Year's football game between The Dalles and the Portland football team took place yesterday afternoon at the grounds near the Waco warehouse and resulted in a score of 17 to 0, in favor of The Dalles.

Owing to the snow on the ground the game started very slowly. The first 15 minutes was a succession of fumbles, slips and tumbles, but Dalles finally settled down for business and started from their 40-yard line, and went through tackle and guard for 70 yards and a touch-down. There remained about 4 minutes to play. Albina kicked off, Star caught and advanced the ball 20 yards. At the end of the first half Dalles had the ball in the center of the field. Score—6 to 0, favor Dalles.

SECOND HALF.

Albina kicked to Spaulding on 20 yard line. Spaulding fumbled, but finally recovered and with excellent interference carried the ball to the center of the field. Scott went around the right end and away from his interferences, and in trying to elude his opponents he ran back and was downed with a loss of 3 yards. Williams went around left end for 7 yards and Cooper then went over guard for first down. McKenzie broke through right tackle for 5 yards. Williams punched tackle for 2 yards, and McKenzie did the same. Williams was held on third down and Albina took the ball on downs.

Albina's ball, first down. They got 3 yards on right end run. They then tried the left end and lost another yard. Albina punted to Cooper on 40-yard line. Cooper slipped and Albina fell on the ball. Albina then made small gains around and punted on third down. The ball went almost straight across the field and rolled out of bounds, and Albina again fell on the ball. Albina then lost the ball on a fumble and played defensive almost all the rest of the game.

The ball was in the center of the field. Williams tried the left end, but slipped and lost 3 yards. Spaulding was sent around the right end for the longest and most neatly earned run of the game—30 yards. He left his interference just beyond the line and ran through a mob of Albina men, and was not downed until he had sent two of his opponents to the ground. In this run Spaulding showed his knowledge of the game, for no one

but an experienced player could have successfully "stiff armed" and torn away from the first man who tackled him. Williams started around the left end but was too slow for his interference; he "cut in" and broke through and made a run for a gain of 20 yards and a touch-down. Cooper kicks goal. Score—12 to 0 in favor Dalles.

Eleven minutes to play. Albina kicked to Spaulding on 25-yard line, who fumbled, but fell on the ball on the 20-yard line. McKenzie plunged through left tackle for eight yards, and Williams punched for two more on the opposite side. McKenzie again tried the right, but could not make the line and was downed with a gain of two yards. Cooper hopped over Fatty for three yards and first down. This was the nearest line buck of the game. Cooper was thrown completely over the line and hit on his feet, and had he not slipped he would probably have made a touch-down. Spaulding tried right end and lost a yard. McKenzie then tried the line, slipped and lost three yards more. Dalles lost the ball on third down and was penalized ten yards for stubbing "off side." Albina made the attempt and lost the ball on the third down, not having gained an inch.

The ball was now on Dalles' 45-yard line and they took the ball and walked through Albina's line for 65 yards in three minutes. When the ball was carried over the line time was called, and Cooper failing to kick the last goal, made the final score 17 to 0 in favor of Dalles.

Persons who suffer from indigestion can not expect to live long, because they cannot eat the food required to nourish the body and the products of the undigested foods they do eat poison the blood. It is important to cure indigestion as soon as possible, and the best method of doing this is to use the preparation known as Kodol Dyspepsia Cure. It digests what you eat and restores all the digestive organs to perfect health. Clarke & Falk's P. O. Pharmacy.

When threatened by pneumonia or any other lung trouble, prompt relief is necessary, as it is dangerous to delay. We would suggest that One Minute Cough Cure be taken as soon as indications of having taken cold are noticed. It cures quickly and its early use prevents consumption. Clarke & Falk's P. O. Pharmacy.

You will not have boils if you take Clarke & Falk's sure cure for both.

HARRISON HAS SOLVED IT

Says Democratic Party Was Never Less Attractive Than Now—Should Break Ranks and Call the Roll.

INDIANAPOLIS, Ind., Jan. 1.—Ex-President Harrison, speaking to the toast, "Hall Columbia," at the banquet on the dedication of the new Columbia club, said:

"I estimate the governing faculty to be God's great gift to the Anglo-Saxon, and in the constitution of the United States, with its division of powers, limitations upon the governing departments, and its sublime reservations in the interest of individual liberty, I see the highest achievement of that most rare faculty.

"I have no argument to make here or anywhere against territorial expansion; but I do not as some do, look to expansion as the safest or most attractive avenue of national development. By the advantages of abundant and cheap coal and iron, of an enormous surplus of food products and of invention and economy in production, we are leading by a nose the original and the greatest of colonizing nations. Australia and New Zealand send their contingents to South Africa, but Great Britain cannot hold the trade of her colonies against American offerings of a better, cheaper product. The Central and South American states, assured of our purpose, not only to respect but to defend their autonomy, and finding the peace or social order which a closer and larger commercial intercourse with the world will bring, offer to our commerce a field the full development of which will realize the eldorado.

"The decapitation of the ex-president when the oath of office has been administered to his successor will greatly vivify a somewhat tiresome ceremony; and we may some time solve the newspaper problem: what to do with our ex-presidents in that conclusive way. Until then I hope an ex-president may be permitted to live somewhere midway between the house of the gossip and the crypt of the mummy. He will know, in an especial way, how to show the highest honor to the presidential office and the most courteous deference to the president on great questions, however, and especially on questions of constitutional law you must give an ex-president his freedom or the ax—and it is too late to give me the ax.

"Any Democratic friends who may share our hospitality on this occasion will pardon me for saying to any of them who has cast beguiling looks toward me that the Democratic party has never been less attractive than now. No plan of reorganization suggests itself to me except that suggested by a wag-gish lieutenant of my regiment to a captain whose platoons were inverted. He said: 'Captain, if I were in your place I would break ranks and have an orderly call the roll.'

Famished People Eat Human Flesh.
VICTORIA, Jan. 1.—Advices by the steamer Kiojun Maru say that owing to the troubles in North China and the consequent abandonment of farms, the rice crop has been far from equal to the demands of the people of Shansi, and there is a great famine there. The Tien-Tsin correspondent of the Daily Mail says cannibalism has broken out on account of the starvation in Shansi, and human flesh was being offered for sale in the villages, the authorities being unable to prevent the sale.

Never before has a music house in The Dalles delivered in a single day as many pianos and organs as we did on Christmas eve. Many were the homes made happy. And now for the new year. Every piano and organ must go. Prices cut no figure with us; they will not cost you much. There is lots of fun in the music trade now. Have you noticed it? However, it is all at Nickelsen's music store.

May Offer Jamaica to United States.

New York, Jan. 1.—A special to the Journal and Advertiser, from Washington, says: The British colony of Jamaica will be given, in exchange for a fair share of the United States colony of the Philippines. This is an international trade which will be probably the result of acquisition by the United States of the Danish Antilles.

In official circles it is thought that Great Britain will not want the island of Jamaica if the United States shall acquire the Danish possessions, and the prestige of Great Britain as commanding the highway to the Nicaragua canal, will have disappeared. The United States will not only be able to command the approach from the east, but it will, from its point of vantage, control the ocean east of the Danish Antilles, from the magnificent base which will undoubtedly be established there.

It will be interesting to recall that when the United States amended the Hay-Pauncefote treaty, the British press idea was that if Great Britain were forced to yield there should be some compensation to Great Britain. What Great Britain's demands will be are not clearly known. It is understood, however, that she will endeavor to have the modus vivendi Alaskan boundary made permanent.

Catarrh Cannot Be Cured.

with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.

Was the Joseph and Henry.

SAN FRANCISCO, Jan. 1.—The overturned hull of a small craft that was sighted by the schooner Sacramento floating in the ocean off the Columbia river has been identified by shipping men as the wreck of the Joseph and Henry, which left here December 13th for Coquille river. She carried five men, her commander being Captain Charles Rasmussen, and her cook, Fredrickson. The names of the other three men of the crew are not known.

The schooner was owned by Joseph Harter and Henry Stelless. She had about 20 tons of freight in her hold.

A Village Blacksmith Saved His Little Son's Life.

Mr. H. H. Black, the well-known blacksmith at Grahamsville, Sullivan Co., N. Y., says: "Our little son, five years old, has always been subject to croup, and so had have the attacks been that we have feared many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled." There is no danger in giving this remedy for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale by Blakeley, the druggist.

Now is the time when croup and lung troubles prove rapidly fatal. The only harmless remedy that produces immediate results is one Minute Cough Cure. It is very pleasant to take and can be relied upon to quickly cure coughs, colds and all lung diseases. It will prevent consumption. Sold by Clarke & Falk's P. O. Pharmacy.
