UPRISING OF THE DUTCH

Situation in Cape Colony Takes a Serious Turn—Boers Half Way to the Cape.

CAPE TOWN, Jan. 2.—The British battleship Monarch will land guns tomorrow as a precautionary measure. The situation is serious. It is true that the Dutch have not joined the invaders in any considerable numbers, but a lack of arms is believed to be the true reason for abstention. In many places horses are freely offered and information readily supplied to the Boers.

The early proclamation of martial law in the Cape Town division does not include Cape Town itself.

The latest reports show the situation to be generally as follows:

Kuruman, if still uninvested, probably soon will be.

Griqualand West is filled with small parties of Boers, who are working south toward Prieska for the purpose of co-operating with or supporting Commandant Hertzog, whose advance parties are in the neighborhood of Fraserburg.

The Boers are close to Grand Reinet, where of late the Dutch have given many demonstrations of extreme sympathy. In the eastern part of the colony the advance guard of the Boers is close to Mariesburg, about 25 miles northwest of Gradock.

The general opinion here is that the position is not properly appreciated in England. The Worcester conference excited the Dutch throughout the colony. Many old residents, who are by no means alarmists, regard a general uprising of the Dutch as quite likely.

Martial Law Proclaimed.

LONDON, Jan. 3.—"Martial law has been proclaimed in the Westchestershire, Corse, Prince Albert, Fraserburg and Sutherland divisions," say the Cape Town correspondent of the Daily Mail, wiring yesterday. "The enlistment of volunteers is going on, and the best authorities anticipate favorable developments shortly. The great trouble is the scarcity of horses. Seven hundred Boers have broken through the cordon at Zun-

burg, and are now advancing upon Richmond. The magistrate there reports that they are burning and looting a few miles from the town.

"Lord Methuen is concentrating a force at Vryburg, whither 1000 troops have been sent from Kimberley and others from more northern towns, to deal with a commando that is raiding around Kuruman.

"The Boers have reoccupied Jagersfontein, which, together with Faersmith, the British evacuated Christmas day, the convoy of retiring inhabitants, with hundreds of wagons, extending for seven miles. It was a mournful spectacle. Camp was pitched at Edenburg. I gathered that the reason for the evacuation was the difficulty of maintaining food supplies so far from the railway."

The Standard, commenting on the invasion of Cape Colony, says:

"The American Civil War provides a useful parallel. The confederate raids failed to achieve anything serious."

Persons who suffer from indigestion can not expect to live long, because they cannot eat the food required to nourish the body and the products of the undigested foods they do eat poison the blood. It is important to cure indigestion as soon as possible, and the best method of doing this is to use the preparation known as Kodol Dyspepsia Cure. It digests what you eat and restores all the digestive organs to perfect health. Clarke & Falk's P. O. Pharmacy.

An Election Result.

DALLAS, Jan. 2.—The managers of the woolen mills at this place have definitely announced that the mills will resume operations in about two weeks or as soon as machinery and material can be got ready.

The mills have not been running since last September, when they closed down to await the result of the presidential election.

When threatened by pneumonia or any other lung trouble, prompt relief is necessary, as it is dangerous to delay. We would suggest that One Minute Cough Cure be taken as soon as indications of having taken cold are noticed. It cures quickly and its early use prevents consumption. Clarke & Falk's P. O. Pharmacy.

How to Cure Croup.

Mr. R. Gray, who lives near Amenia, Dutchess county, N. Y., says: "Chamberlain's Cough Remedy is the best medicine I have ever used. It is a fine

children's remedy for croup and never fails to cure." When given as soon as the child becomes hoarse, or even after the croupy cough has developed, it will prevent the attack. This should be borne in mind and a bottle of the Cough Remedy kept at hand ready for instant use as soon as these symptoms appear. For sale by Blakeley, the druggist.

Russia Contracts for Our Packed Meats.

CHICAGO, Jan. 2.—The Tribune says: Signatures were affixed in this city yesterday to a great international contract and a Chicago packing firm will supply the Russian government this year with 1500 barrels of a specially prepared meat to feed the soldiers of the Czar's army.

The terms of the contract will exceed \$100,000. The vast field for supplies in Russia and Siberia has been opened to Americans only lately, and it is believed that the contract completed yesterday is merely the predecessor of others which will amount to millions of dollars and result in the introduction and consumption of American packed meats in every part of the vast northern empire.

A new process of packing and pickling meats was an important factor in the awarding of the contract. By this process it is said that the problem of transporting the packed meat any distance and through any climate without affecting the quality of the supplies has been solved.

Catarrh Cannot Be Cured.

with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.

Hard On Stock.

WALDENBURG, Colo., Jan. 2.—The weather in this vicinity is the coldest in recent years. This condition was preceded by a snowstorm lasting several days. The snow was fine, and the wind drove it right to the hide of exposed stock. This, followed by such severe cold, will cause the loss of considerable stock on the range.

Reports are coming in of heavy losses of sheep. One herd ranging east of this city is reported to have lost fully 50 per cent. Most of this loss was occasioned by the sheep piling on top of each other to escape the cold and snow and smothering those underneath. Losses of cattle are also reported.

Bismark's Iron Nerve.

Was the result of his splendid health. Indomitable will and tremendous energy are not found where stomach, liver, kidneys and bowels are out of order. If you want these qualities and the success they bring, use Dr. King's New Life Pills. They develop every power of brain and body. Only 25c. at Blakeley's drugstore. 6

Action Stagers Them.

NEW YORK, Jan. 2.—A dispatch to the Herald from Peking says: The prompt acceptance by the Chinese government of the preliminary demands of the powers has taken away the breath of the foreign ministers, who are not prepared to go on. If they do so the differences of an apparently irreconcilable nature which the question of indemnity creates in diplomatic quarters will be revealed. As a precaution and for the sake of delay the ministers have asked the Chinese plenipotentiaries to put the acceptance of the note in a solemn form.

It is generally believed that Paris and Washington will take the initiative in future negotiations.

Reliable information came from the court today that the emperor has succeeded in sending General Tung Fuh Slang and his army westward. His Majesty is preparing to return to Peking by slow marches. He will not enter the city until the allies leave.

Donnelly is Dead.

MINNEAPOLIS, Minn., Jan. 2.—Ignatius Donnelly, the politician and author, died

at 12:03 o'clock this morning, aged 70 years. He was taken suddenly ill last night while visiting at the home of his father-in-law, Barton Hanson, and soon became unconscious. A physician was summoned, who said that the attack was due to heart failure, and that there little chance of the patient's recovery. Mr. Donnelly passed away surrounded by a number of his relatives, a sorrowful little group that watched by the bedside.

At the last general election Mr. Donnelly was candidate for vice-president on the middle-of-the-road populist ticket. He was active during the campaign, and spoke in Minneapolis and other cities of the state a number of times. Mr. Donnelly married about three years ago Miss Hanson, a daughter of Barton Hanson, of this city, and since then they made their home in Minneapolis, although Mr. Donnelly owned several farms, where they spent considerable time.

Gas-Pipe Bomb Found in Tunnel.

CHICAGO, Jan. 2.—The Record says: On information from a source which he declines to make public, Detective Sergeant McLaughlin located a gas-pipe bomb in one of the niches of the La Salle street tunnel shortly before midnight. The bomb was taken by the policeman to Central station, and thence carried to the lake front and exploded.

Detective McLaughlin said he received a hint to the effect that an effort would be made to blow up the tunnel used for the passage of the North Side cable cars. He hastened to the scene and found a piece of three-inch gas pipe about 15 inches long in one of the small arched openings in the dividing wall of the tunnel. A half-burned fuse protruded from one end. When touched off the bomb is said by the policeman to have exploded with a loud report.

Earlier in the night one of the sweepers employed in the tunnel saw a man about 25 years old and shabbily dressed loitering in the tunnel. He was asked what he was doing there, and replied, "Nothing." The stranger left the tunnel hurriedly.

The police suspect the bomb was placed there by a discharged employe of the company.

Sugar Goes Down.

NEW YORK, Jan. 2.—The American Sugar Refining Company has reduced the prices of all grades of refined sugar ten points, and the National Sugar Refining Company has made a cut of five points, making the prices of both companies the same. Arbuttle Brothers have reduced the price of granulated sugars to conform with the list of the American Sugar Refining Company and the National Sugar Refining Company prices. This puts all the companies on the same basis.
