## BOERS REPULSED AT ALI WAL

Commando of Two Hundred Tried Ineffectually to Cross Orange River.

CAPE TOWN, Jan. 11.—A commando, about 200 strong, crossed the Orange river near Aliwal. It was met on the borders of the Aliwal, Wodehouse and Harkle East districts by a body of police and mounted farmers and was repulsed with some loss. It will probably attempt to cross the river again.

Dewet was last reported in the neighborhood of Bothaville. All the towns in Orange Colony on the main line of railway are strongly held by the British and the Boers show no disposition to approach them.

The British warship Sybil has anchored in Lambert's bay and landed a force of bluejackets and a number of guns. This force has constructed entrenchments. Hertzog's main body, 700 strong, with two guns has crossed the Roggeveld mountains and is now probably in the neighborhood of Elaan's Drift, 50 miles east of Clan William.

Hertzog's intention, apparently, is to move toward Ceres and Worcester. Only a few passes are passable for the guns and the whole country is difficult to traverse. The passes are narrow and easily defended. According to latest reliable reports another party of 500 Boers has reached the Doorn River, 70 miles south of Calvinia. The British are doing all in their power to meet the situation. Refugees from Calvinia and Clan William are flocking to Piquetberg road. They state that many poor whites are certain to join the Boers, as are also many bitter boudemen in the neighborhood of Clan William and Malsberg, who openly declare they intend to join the invaders.

### Attack on Machadodorp.

LONDON, Jan. 11.—The following dispatch has been received from General Kitchener, dated Pretoria, January 10: "The Boers attacked Machadodorp last night, but were driven off before dawn. Hertzog's commando is in the neighborhood of Sutherland, Cape Colony. Settles is organizing a column to head him off.

"In the Midlands and eastward the Boers have broken up into small bodies, some returning north and some hiding in the northwest of Jamestown."

### Empress to Have Large Force.

CHICAGO, Jan. 11.—A special to the Record from Vancouver, B. C., says: Captain P. L. Lockhart, correspondent of the London Times, in China, who accompanied General Gaselee's relief force, left for New York, en route to London, today.

Speaking of the situation in China, he said: "I think that so far as Li Hung Chang himself is concerned, he is perfectly sincere in his position as mediator, but my observation leads me to judge that any agreement the Chinese make now would be kept by them no longer than it suited their convenience. The empress dowager will by Spring have a tremendous force of men armed with modern rifles at her command, and neither she nor Prince Tuan has the slightest chance of falling into the hands of the allied forces. Next summer will see the great struggle between the well-organized Boxers under the Empress and Prince Tuan and the allied forces in their attempt to seat the young emperor firmly on the throne."

### Cold Steel or Death.

"There is but one small chance to save your life and that is through an operation," was the awful prospect set before Mrs. I. B. Hunt, of Liane Ridge, Wis., by her doctor after vainly trying to cure her of a frightful case of stomach trouble and yellow jaundice. He didn't count on the marvellous power of Electric Bitters to cure stomach and liver troubles, but she heard of it, took seven bottles, was wholly cured, avoided surgeon's knife, now weighs more and feels better than ever. It is positively guaranteed to cure stomach, liver, and kidney troubles and never disappoints. Price 50c at Blakeley's drug store. 1

### Danish Indies to Be Ours.

COPENHAGEN, Jan. 11.—The negotiations for the sale of the Danish West Indies to the United States are seemingly approaching settlement. The matter has been placed in the hands of the finance committee of the Rigsdag, with the view of arranging the difference in the price asked and offered. The King and Ministry are in favor of the sale, but final action may be delayed by powerful opposition both in the islands and here.

### A Night of Terror.

"Awful anxiety was felt for the widow of the brave General Burnham of Machias, Me., when the doctors said she could not live till morning," writes Mrs. S. H. Lincoln, who attended her that fearful night. "All thought she must soon die from Pneumonia, but she begged for Dr. King's New Discovery, saying it had more than once saved her life, and had cured her of Consumption. After three small doses she slept easily all night, and its further use completely cured her." This marvelous medicine is guaranteed to cure all Throat, Chest and Lung Diseases. Only 50c and \$1.00. Trial bottles free at Blakeley's drug store. 1

Persons who suffer from indigestion can not expect to live long, because they cannot eat the food required to nourish the body and the products of the undigested foods they do eat poison the

blood. It is important to cure indigestion as soon as possible, and the best method of doing this is to use the preparation known as Kodol Dyspepsia Cure. It digests what you eat and restores all the digestive organs to perfect health. Clarke & Falk's P. O. Pharmacy.

Dull Headache, Pains in various parts of the body, Sinking at the pit of the stomach, Loss of appetite, Feverishness, Pimples or Sores are all positive evidences of impure blood. No matter how it became so it must be purified in order to obtain good health. Acker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons or any other blood diseases. Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c size. Ely Brothers, 56 Warren St., N. Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
