Rolling, jolly, Merry Katie Emmett, supported by an exceptionally strong company, will beat the Vogt opera house next Wednesday night, presenting the best of all sensational American comedy dramas, "The New Waits of New York."

The annual business and social meeting of the Congregational church will be held at the church Monday evening, January 13th at 7:30. To this gathering all members of the church and congregational and all friends are invited. Come and enjoy a good program and an hour of social communion.

Representative Moody yesterday secured the passage of a bill in the house granting a pension of \$30 a month to James Covington of this city. Another bill of Mr. Moody's passed giving a pension of \$8 a month to William Chittendon, a former resident of The Dalles, now in the Soldiers Home at Roseburg.

The Boise City Statesman of January 7th has the following personal notice of a young man who was born and raised in and well and favorably known in The Dalles: "Charles Fritz, a popular employee of the DeLamar company, has been appointed manager of Hotel DeLamar, to fill the place of S. R. Pyles, who, with

his wife, will leave for their home in Denver tomorrow."

The Dalles Driving Association has elected the following officers for the ensuing year: President, Robert Mays, Sr.; vice-president, E. C. Pease; treasurer, T. J. Seufert; secretary, Judd Fish. The grading of the speed track has all been completed, save a small portion, which will be finished as soon as the weather will permit. The grounds comprise twenty-one acres. They will be completely fenced in as soon as possible, and the association will make a determined effort to have the district fair held here next fall.

The annual installation of officers and campfire of the J. W. Nesmith Post, G. A. R. and Women's Relief Corps will take place tonight at the K. of P. hall in the Vogt block. The ladies of the Women's Relief Corps, in addition to supplying a regular army supper for all who may attend, have arranged for a short literary entertainment. The admission is placed at the low price of 15 cents and every cent of money received from the sale of tickets will be devoted to the relief of indigent old soldiers and their families.

Superintendent Gilbert has sent a circular letter to every school clerk in the county calling attention to the fact that the school laws of the state require that the clerk of each school district shall notify, in writing, the clerk of the county court, on or before the 1st of February of each year, of the rate per cent of any tax levy made by the legal voters of such district for school purposes. Attention is also called to the provision that at least ten days' notice shall be given of any special school meeting, and that the object of the meeting must be stated in the notice, three of which shall be posted in conspicuous places in the district.

At exchange tells of a school boy who was compelled by his teacher to write an essay on the mouth, and this is what he wrote: "The mouth is the front door of the face; it is the aperture of the cold-storage of our anatomy. The mouth is the hot-bed of toothache and the bungalow of oratory. The mouth is the crimson aisle to the liver; it is the fountain of patriotism and the tool-chest for pie. Without the mouth the politician would be a wanderer on the face of the earth and go down to a dishonored grave. It

is the grocer's friend, the orator's pride, the dentist's hope. It is temptation's lunch counter when attached to a mail-en, and tobacco's friend when attached to a man. It puts some men on the rostrum and some in jail. It is the home of that unruly member, the tongue. Without it married life would be a summer dream and the dude would lose half his attractions."

Obituary.

Died, at St. Vincent's Hospital, this morning, January 12th, Hattie F. wife of C. G. Hanson, freight conductor on the O. R. & N. and a respected resident of this city. Mrs. Hanson took to her bed Christmas day and continued getting worse till last Thursday when she was taken to St. Vincent's Hospital and subjected to an operation the following (Friday) morning. The report was that she rallied from the operation and was getting along hopefully, but in less than twenty-four hours she had passed away.

Mrs. Hanson was born in Colorado 39 years ago and was brought up from childhood in Portland, Oregon. Her maiden name was Hackett and her father is still a resident of Portland, her mother having died years ago. She leaves a husband and an adopted daughter of tender years. Mrs. Hanson was a most estimable lady and was held in high estimation by all who knew her. The remains are expected here tonight and the funeral has been fixed for 2 o'clock tomorrow afternoon, from the residence, at 409 West Second street.

A Complete Heating System.

During the fall and winter A. Keller enlarged the basement under his building on Second street, and has had put in a very complete hot water heating system that warms the entire building. It is what is known as the Royal boiler, the most compact boiler known. It is a perfect net of tubing surrounding the furnace, and every particle of heat generated is utilized, which is an economy of fuel; and the boiler being compact requires not much more space than a large heating stove. The system is complete throughout, reaching every room on both floors of the building, and works satisfactorily. The heater and piping were put in by Maier & Benton, under the supervision of Mr. Benton, who is acknowledged to be one of the

most expert plumbers in the state. Parties intending to erect large buildings that require a heating apparatus will do well to examine the hot water system which Mr. Keller has inaugurated in his building.

FOOTBALL NOTES.

Messrs. Frank and Elmer Spaulding phoned this morning that they missed the morning train but would be in The Dalles Monday, without fail.

Heppner won from Multnomah in yesterday's game by a score of 10 to 0. The game was played in mad ankle deep, a "chinook" having removed the snow the day before. While the Multnomah aggregation were badly crippled from recent encounters, rendering their team much less formidable than at any previous game of the season, from The Dalles experience Heppner will not be charitable enough to admit it, and will claim the championship of—the earth. The Heppner team is a strong aggregation, however, and can play good ball. It has also been lucky as well, as it has met some good teams, vanquishing them all. It has had the good fortune to meet two of them, at least, in name only, and thus against the weakened fragments they have won. That is Heppner's good luck, however, and thus THE CHRONICLE takes its hat off to Heppner as the champions of the Northwest.

Signal practice at the armory every evening at 7:30 is the order now, and will continue till the game with Multnomah, which ends the season. Every member of the association is expected to turn out and work.

The defeated Multnomah boys passed through town this afternoon en route to Portland. The Dalles team know how to sympathize with them, they have had two experiences this season.
