

THE OREGON LEGISLATURE

The Senate's First Bill Unconstitutional — Senate Committee Appointments Favorable to McBride.

Special to THE CHRONICLE.
SALEM, Jan. 16.—Sixty bills have already been introduced in the house.

The initiative and referendum resolution of the last session was called up and passed. The rules of the last house were retained.

The ways and means committee appointed by President Fulton are all republicans, with Smith, of Marion, chairman. This appointment is considered antagonistic to Corbett's interests.

The bill appropriating \$2000 to enable a delegation of veterans to go to Washington in the interest of the Indian war veterans, the first to pass the senate, is unconstitutional, as all appropriations must originate in the lower house.

The senatorial situation remains unchanged, except that the appointments on the senate committees are considered favorable to McBride.

The demand of the Multnomah delegation for extra clerks was this morning promptly refused.

Clark Lacks One Vote.

HELENA, Mont., Jan. 15.—William A. Clark, of Butte, lacked one vote of the number required to elect him to the United States senate today. The first ballot on senator was taken at noon by both senate and house. Two members, Senator Hobson, a republican, and Representative Gregory, republican, were absent. Clark received 34 votes in the house, lacking one of a majority, and 13 in the senate, where he had a majority of three.

There were thirty republicans in the senate and house, and they voted for Senator Thomas H. Carter for the long term and former Senator Lee Mantel for the short term. Ten labor men in the house voted solidly for A. E. Spriggs for the long term, while three of the four independent democrats voted for Major Martin Maginnis, of Helena. Had the vote been in joint session today, Mr. Clark would have been elected, as he received a majority of votes cast.

For the short term Mantel, republican, received the entire republican strength. H. L. Frank, of Butte, received ten votes, while the others were scattering.

The legislature completed balloting at 1 o'clock and adjourned until 10 o'clock tomorrow morning. A joint ballot will be taken tomorrow at noon, but in the meantime the two absent republican members are expected to arrive.

Harrison's Partner Dead.

INDIANAPOLIS, Ind., Jan. 15.—William P. Fishback died at his home here today. He was one of the best-known lawyers in the Middle West, and had been prominent in the affairs of Indiana for half a century. In 1861 he became the law partner of former President Benjamin Harrison. This partnership continued until 1870, when Mr. Fishback assumed the editorship of the Indianapolis Journal, which position he occupied for two years. In 1872 he bought an interest in the Democrat of St. Louis, now the Globe-Democrat, of which he was associate editor for two years.

The Dalles Improvement.

WASHINGTON, Jan. 15.—The members of the Oregon delegation are in some doubt as to what shall be done in the matter of the improvement at The Dalles. If the Oregon senators agree that they desire to keep in the old provision for the boat railway as it has stood for several years, they can do so. Senator Simon is of the opinion that if this repeal could be in some way connected with a provision to commit the government to a canal and locks, it might be a very advantageous proposition, and he is trying to have an amendment drafted which will carry out this plan.

Substitute For Subsidy Bill.

MADISON, S. D., Jan. 15.—The social democrats of this city have written to

Senator Pettigrew as a body urging him to introduce a substitute for the pending ship subsidy bill, which will provide for the same amount of money expended in building new vessels to be owned by the government, and to be known as the commercial navy, to be chartered for commercial purposes in time of peace and used as transports in time of war, but always to be officered and controlled by government officers. The senator promptly notified the president of the club that he would introduce such a substitute at the proper time.

His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid fever, that ran into Pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of Consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvellous medicine is the surest and quickest cure in the world for all Throat and Lung Trouble. Regular sizes 50 cents and \$1.00. Trial bottles free at Blakeley's drug store; every bottle guaranteed.

Held on Counterfeiters.

CHICAGO, Jan. 15.—Detectives raided a counterfeiter's den at No. 348 West Lake street last night, captured J. P. McGarry, the supposed leader of the band, and secured three bags of spurious coin, with a complete outfit for manufacturing it. For six months the federal authorities and the police have been searching for the gang, which has been operating extensively throughout the city. Thousands of dollars in counterfeit half dollars, quarters and dimes have been passed.

No Right to Ugliness.

The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will make a good-looking, charming woman of a run-down invalid. Only 50 cents at Blakeley's drug store.

Killed by Bartender.

New York, Jan. 15.—Joseph G. Stefferd, a marine attached to Company C, in the Brooklyn navy yard, was killed in a barroom on the Bowery this morning by the bartender, who called himself John Henry, of Brooklyn, but who the police say is Joseph Roberts of this city. Stefferd was in the saloon drinking and became boisterous. He praised the Irish and condemned Americans. The bartender was angered and a fight followed. Roberts struck the marine above the left ear and killed him instantly. Roberts escaped.

How to Cure Croup.

Mr. R. Gray, who lives near Amenia, Dutchess county, N. Y., says: "Chamberlain's Cough Remedy is the best medicine I have ever used. It is a fine children's remedy for croup and never fails to cure." When given as soon as the child becomes hoarse, or even after the croupy cough has developed, it will prevent the attack. This should be borne in mind and a bottle of the Cough Remedy kept at hand ready for instant use as soon as these symptoms appear. For sale by Blakeley, the druggist.

ROBERTS IS DISSATISFIED

Not Pleased With Conditions in Africa — Wants Presentation of Testimonial Sword Postponed.

LONDON, Jan. 15.—Earl Roberts today further emphasized the unsatisfactory condition of South Africa in a letter to the mayor of Portsmouth, postponing the presentation of a sword of honor from the city. He said:

"It is most distasteful to me to be honored and feted and called upon to rejoice while so many are in bitter grief, and before we can properly return thanks that the cloud is being rolled away which has for more than a year darkened the homes and crushed the hearts of so many in our country."

Dewet Is Angry.

KROONSTAD, Orange River Colony, Monday, Jan. 14.—The success of the bughier peace commission in distributing among the republicans Paul Botha's book, "From Boer to Boer," has infuriated General Dewet, who, it is reported, swears he will shoot the author at the first opportunity.

The refugee camp is now occupied by 2000 persons. Another is being formed at Rhenoster.

Supplies of all kinds in the towns are shortening daily.

The Boers are most active northward, and also in the direction of Lindley. Various commandoes appear to be joining General Dewet to the southward.

Report From Kitchener.

LONDON, Jan. 15.—Reporting to the war office under date of Pretoria, January 14, Lord Kitchener says:

"Byers' whole force crossed the railway near Kalfontein January 12, making to the east.

"There are no important changes in the positions of the colonies. Several small parties appear to be returning to the Orange River colony. Some Cape rebels who accompanied a commando into the colony have surrendered."

Played Out.

Dull Headache, Pains in various parts of the body, Sinking at the pit of the stomach, Loss of appetite, Feverishness, Pimples or Sores are all positive evidences of impure blood. No matter how it became so it must be purified in order to obtain good health. Acker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. Blakeley, the druggist.

Old-Time Republican.

ROCKFORD, Ill., Jan. 15.—Elijah W. Blaisdell, one of the founders of the republican party, and who is said to have been the first man to propose the name of Abraham Lincoln for the presidency, is dead. Mr. Blaisdell has been a resident of Rockford for forty-seven years, and during the time was a newspaper publisher, an author, lawyer, real estate dealer and politician.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." For sale by Blakeley, the druggist.

Mrs. Nation Released.

WICHITA, Kan., Jan. 15.—Today quarantine was declared off at the county jail, and Mrs. Carrie Nation, charged with smashing saloon fixtures, was released on \$200 bail. Her trial has been reset for next Monday.
