"Now various sections of the state are determined to emphasize the need of action by appealing to the legislators, now assembled at the capital, to elect Senator Corbett. This they do through the press, and the calls to this paper are not few. As the consequence of immediate action by Senator Corbett in the senate, we have the Siuslaw harbor people in Lane county urging relief, then comes Yaquina Bay, and in fact all the harbors along the coast which send to the outer world, in ships, the products of all Oregon; and the great upper Columbia river farmers and stock raisers are each sending special messages to the legislature asking that their common benefactor, friend and statesman, Senator Corbett, shall represent them."

Here is a sample of the stuff that makes the Baker City Republican absolutely ridiculous. There is not a word of truth in the statement, and THE CHRONICLE knows the sentiment of the people of Eastern Oregon quite as well as the Republican does. There is no demand for Corbett's election, such as the Republican describes. The newspapers of Eastern Oregon are as clear an index as any other as to the sentiment of the people, and of some thirty Eastern Oregon exchanges that come to this office only three are outspoken for Corbett, while three times that number—and more—have no use for him in the wide world. If Eastern Oregon had a chance to vote for the United States senator, Corbett never would know that he was in the race.

AND WHAT THEN?

It does appear the United States supreme court will hold that the constitution does follow the flag, and, if it does, the administration will hardly have a leg to stand on its policy towards Porto Rico, Hawaii and the Philippines.—East Oregonian.

And then? Why then the inhabitants of the islands, without respect to color, race, barbarism or civilization, are full-fledged citizens of the United States and entitled to all the privileges of American citizenship. Then our entire revenue system applies to them, and applies at once, no matter whether it is adapted to their conditions or not. Then they are entitled to a voice in the election of president and vice-president, and their representatives in congress are entitled to a voice in the making of our and their laws. And, lastly, the islands being part of the United States can no more be allowed to secede, or be abandoned to themselves, or allowed to establish a government of their own, independent of the rest of the United States, than the state of New York or Oregon.

Corbett's sack is open and already there are those who are the recipients of his wonderful generosity. It is said that his favors have been dispensed as far away from home as Baker City, says the Baker City Democrat.

"Woe to us as a nation if we ever follow the lead of men who seek not to smother but to inflame the wild beast qualities of the human heart!" —Hon. Theodore Roosevelt.

FOOTBALL NOTES.

As Friday's game is the last and best of the season, the business men of the town are being urged to close their places of business from 2:30 to 4:30 p. m. This is a worthy move and will doubtless meet with success.

The visitors from Portland, who will meet our D. C. & A. C. aggregation, are composed of the regular second Multnomah players, the majority of whom will compose the regular Multnomah first team for 1901. It is therefore very desirable that our club team should make a good showing. In fact, they are in hard training and have every confi-

dence of winning. The Dalles team is a very strong one, from every standpoint.

Tickets for both football game and benefit ball are being sold by ball players and others interested.

It is the intention of our athletes to conduct all future games and sports under the auspices of The Dalles Commercial and Athletic Club. This will give the boys a standing that is very desirable.

The following floor committee has been selected for the Friday evening ball: Frank A. French, John H. Hampshire, Albert Gude, John Cooper, Harry Bigbam, L. A. Porter and H. D. Parkins. Nothing that these gentlemen ever lend their names to fail, hence the ball is an assured success.

Multnomah colors are red and white; D. C. & A. C., yellow and white. Won't our business men lend some help in creating a little enthusiasm by decorating their show windows?

Every person attending the game Friday should wear colors of one or the other of the teams. Of course, THE CHRONICLE likes patriotism, but above all it enjoys enthusiasm, when the interests of the town are at stake. These games are beneficial. They tend to unite the people of a town. They encourage sobriety among participants, for dissipation and athletics cannot dwell together. Above all, a progressive town is the one that keeps in line in all departments, and permits no sister place to out-do her in enterprise. This is the true spirit.

The Best Plaster. A piece of flannel dampened with Chamberlain's Pain Balm and bound to the affected parts is superior to any plaster. When troubled with lame back or pains in the side or chest, give it a trial and you are certain to be more than pleased with the prompt relief which it affords. Pain Balm also cures rheumatism. One application gives relief. For sale by Blakeley, the druggist.

A Powder Mill Explosion.

Remove everything in sight; so do drastic mineral pills, but both are mighty dangerous. Don't dynamite the delicate machinery of your body with calomel, croton oil or aloes pills, when Dr. King's New Life Pills, which are gentle as a summer breeze, do the work perfectly. Cures Headache, Constipation. Only 25c at Blakeley's drug store.

Pepsin preparations often fail to relieve indigestion because they can digest only albuminous foods. There is one preparation that digests all classes of food, and that is Kodol Dyspepsia Cure. It cures the worst cases of indigestion and gives instant relief, for it digests what you eat. Clarke & Falk P. O. Pharmacy.
