

Millions of Women Use Cuticura Soap Exclusively.

MILLIONS of Women Use CUTICURA SOAP, exclusively, for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, in the form of baths for annoying irritations, inflammations, and chafings, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and many sanative antiseptic purposes which readily suggest themselves to women and mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used it to use any other, especially for preserving and purifying the skin, scalp, and hair of infants and children. CUTICURA SOAP combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. No other medicated soap ever compounded is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair, and hands. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it combines in ONE SOAP AT ONE PRICE, viz., TWENTY-FIVE CENTS, the BEST skin and complexion soap, the BEST toilet and BEST baby soap in the world.

Cuticura Complete External and Internal Treatment for Every Humor. Consisting of CUTICURA SOAP, to cleanse the skin of crusts and scales and soften the thickened cuticle; CUTICURA OINTMENT (50c.), to instantly allay itching, inflammation, and irritation; and a soothing and healing CUTICURA RESOLVENT (50c.), to cool and cleanse the blood. A SINGLE SET is often sufficient to cure the severest humor when all else fails. **Prepared by W. L. HOOKER & CO., Sole Proprietors, Boston, Mass.** "All about the skin, scalp, and hair."

Mr. Moody Won the Gallery Girls.

The following Washington dispatch appeared in the San Francisco Examiner of Jan. 17th. "Oh, he's grand! Oh, he's splendid!" This enthusiastic tribute to Representative Malcolm A. Moody, of Oregon, followed by the vigorous applause of two girls in the gallery, made a pleasant diversion in the house late this afternoon. Every eye was turned on the spot whence came the demonstration. Then the members broke into laughter at Mr. Moody's expense. The young women were scared when they realized that hundreds of faces were turned in their direction from below. They fled precipitately from the gallery. Mr. Moody also executed a masterly retreat, although followed by a volley of "Oh, he's grand; oh, he's splendid!"

The incident came at the moment of adjournment. Mr. Moody had sprung to the fore demanding the attention of the house to an urgent appropriation bill. He said it was a matter of \$9,000 in favor of the general land office. There were objections. Time was short, it was argued. Mr. Moody said he could pass the bill in three minutes, and he did it. Then came the burst of applause from the girls in the gallery. They were employees of the land office who would have lost their jobs had Mr. Moody failed.

"Is God's Good Blessing"

"I feel that God has blessed Dr. Acker with special knowledge to prepare that grand medicine called Acker's English Remedy for Throat and Lung Troubles. It saves children every time when they are attacked by croup. Every mother should know about it, and I will tell about my experience. I had a darling boy of four years to die with croup. My doctor did all he could, but the child could not be made to vomit. That was before I knew of Acker's English Remedy. After I did hear of it, I got a bottle. When our little eighteen-months-old girl was stricken with croup, I gave her this medicine, and inside of twenty minutes she vomited and was better right away. During the winter she had croup four times, and it brought her through each time all right. I, myself, had bronchitis pretty bad, and Acker's English Remedy cured me completely. Before I close, I want to tell you of my neighbor's boy, named Jobe Nana. He had bronchitis, too. He got worse all the time. My husband went over to his house and told him about my case. Then his mother went to town, got a 50-cent bottle of Acker's English Remedy, and he took it. He came over to our house a few days later and said he was all right, and also said two doses relieved him from the start. You can understand by my letter why I think so much of Acker's English Remedy. I repeat that God's blessing must surely have been bestowed upon Dr. Acker."
