STREET FIGHT IN A KANSAS TOWN

Battle Between Mrs. Carrie Nation and Kansas Woman—She Was Assisted by W. C. T. U. Members.

KANSAS CITY, Mo., Jan. 24.—A special to the Star from Enterprise, Kan., says: A street fight between women, led on one side by Mrs. Carrie Nation, the saloon-wrecker, and on the other by Mrs. John Schilling, wife of the manager of the saloon wrecked yesterday, occurred here today. As a result, Mrs. Nation swore out warrants against Mrs. Schilling and her husband and Mrs. William Bittner, charging them with assault, and Mayor Hoffman swore out a warrant against Mrs. Nation, charging her with disturbing the peace. All were arrested and taken before Judge F. B. Hoyt. They were released on bond.

At 10 o'clock this morning Mrs. Nation, in company with Mrs. C. B. Hoffman and some other W. C. T. U. leaders, entered a store two doors away from William Schook's saloon, which is still unoccupied. Mrs. Nation, apparently to give him warning that she would attack his place, sent for Schook. He complied, but before many words were exchanged between them, Mrs. Nation was assaulted by a crowd of women favoring the saloons, who had organized last night and had been awaiting today's threatened destruction of saloon property.

A general fight between the women ensued, during which a woman, heavily veiled, rained blow after blow upon Mrs. Nation with a horsewhip. Men drawn to the scene became interested spectators, but offered no aid to either side. Quiet was restored only when the police interfered. Mrs. Nation was badly bruised. The men are taking no part in the controversy aside from encouraging the women on the respective sides, and to furnish bail when arrests are made.

A request was made for a county warrant for Mrs. Carrie Nation last night, but none had been issued today. "I am going to finish my work," said Mrs. Nation, determinedly, as she closed the busiest day of her tour last night, and taking her at her word, the chief of

police today swore in a dozen extra police. At Abilene, where Mrs. Nation threatened to make her next onslaught, the saloon-keepers have placed guards at their places.

How to Cure Croup.
Mr. R. Gray, who lives near Amenia, Dutchess county, N. Y., says: "Chamberlain's Cough Remedy is the best medicine I have ever used. It is a fine children's remedy for croup and never fails to cure." When given as soon as the child becomes hoarse, or even after the croupy cough has developed, it will prevent the attack. This should be borne in mind and a bottle of the Cough Remedy kept at hand ready for instant use as soon as these symptoms appear. For sale by Blakeley, the druggist.

Funeral of Queen to be Held February 2.
COWES, Isle of Wight, Jan. 24.—12:30 p. m.—It has been decided that the funeral of the Queen will take place at Windsor Castle February 2nd. The body of the late Queen will be removed from Osborne House February 1st. It was the expressed desire of the Queen that the funeral should be military in character. Several officers arrived from Windsor this morning, bringing the state regalia. It was carried in a baiz bag. A naval salute of 21 guns was fired at noon today, in honor of King Edward VII.

Played Out.
Dull Headache, Pains in various parts of the body, Sinking at the pit of the stomach, Loss of appetite, Feverishness, Pimples or Sores are all positive evidence of impure blood. No matter how it became so it must be purified in order to obtain good health. Acker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. Blakeley, the druggist.

Hero of the Battle of San Juan.

NEW YORK, Jan. 24.—After suffering for more than two years with Cuban fever, Alfred Rosetsky, who is said to have been the first American soldier to ford San Juan creek, where the fiercest of the Spanish fire was directed, in the battle of San Juan hill, has just died in a Newark hospital. He contracted the fever at Santiago, and was a mere skeleton when he got home.

At San Juan Rosetsky fought in Troop C, Sixth Cavalry. His clothes were cut by bullets, and while he was ascending the hill with a number of other soldiers,

a shell exploded close by them. A lump of earth struck the young soldier in the side, knocking him senseless. After the battle he was personally complimented for his courage by General Wheeler.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." For sale by Blakeley, the druggist.

Creditors May Get Three Cents.
INDIANAPOLIS, Ind., Jan. 24.—Receiver Clark of the Chosen Friends, says the total liabilities of which the receiver has accurate knowledge at present are \$774,749. In addition to all these claims there are protested checks for large amounts, which will bring the total indebtedness far in excess of \$800,000. To meet this heavy indebtedness the receiver has in his treasury at present \$2000 in cash.

Every single asset upon which the order has a claim will have to be fought bitterly in the courts before it can be realized upon. The creditors may get three cents on the dollar. There are now death certificates in the sum of \$495,297; old age claims amounting to \$279,109, and miscellaneous claims which will reach \$439.

Persons who suffer from indigestion can not expect to live long, because they cannot eat the food required to nourish the body and the products of the undigested foods they do eat poison the blood. It is important to cure indigestion as soon as possible, and the best method of doing this is to use the preparation known as Kodol Dyspepsia Cure. It digests what you eat and restores all the digestive organs to perfect health. Clarke & Falk's P. O. Pharmacy.

Roosevelt Kills Lion With Knife.

MEEKER, Colo., Jan. 24.—News direct from the Keystone ranch, at which place the Roosevelt hunting party is stopping, shows that between the 12th and the 22d of January, twelve full-grown mountain lions, three kittens and eight lynx cats were killed.

Last Saturday the party had quite an exciting adventure with one lion. The lion was held captive by and was fighting with the whole pack of hounds. The hunters were trying to get near enough to the animal to kill it with their knives, when it seized one of the dogs by the jaw.

Governor Roosevelt shoved the breach of his gun into the lion's mouth, holding the gun by one hand, with the other striking the lion a death blow with his knife. His gun shows the marks of the lion's teeth. All the grown lions were killed with the knife.

The vice-president-elect has decided to stay for another two weeks.

Catarrh Cannot be Cured.
with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.

Hill to Maintain the Parity.

WASHINGTON, Jan. 24.—By a party vote of nine to six the house committee on coinage today ordered a favorable report on the bill of Hill (Conn.) to maintain the "silver dollar at parity with gold." This was done after the committee had refused to defer action on the pending bills to permit the minority members of the committee to be heard, and a communication from W. J. Bryan to be received. This, however, was

without purpose to exclude Mr. Bryan's communication, which will be received and printed as a part of the hearing.

Chairman Southard presented a dispatch received from Mr. Bryan, at Lincoln, Neb., saying: "Inconvenient to visit Washington, but shall be pleased to submit views in writing if you will send me copies of pending measure."

Southern California.

Notable among the pleasures afforded by the Shasta Route is the winter trip to Southern California and Arizona. Renewed acquaintance with this section will ever develop fresh points of interest added sources of enjoyment, under its sunny skies, in the variety of its industries, in its prolific vegetation and among its numberless resorts of mountain, shore, valley and plain.

The two daily Shasta trains from Portland to California have been recently equipped with the most approved pattern of standard and tourist sleeping cars, but the low rates of fare will still continue in effect.

Illustrated guides to the winter resorts of California and Arizona may be had on application to

King is Said to Favor Mrs. Maybrick.

NEW YORK, Jan. 24.—Clark Bell, president of the Medical and Legal Aid Society, has announced that his society has determined to take up the Maybrick case at once, and that the chances are now more favorable than ever for the pardon or acquittal, after fair trial, of the American woman under sentence of life imprisonment in England, charged with murdering her husband by poisoning.

The taking up of the case is due to the attitude which the new king of England is known to have assumed toward Mrs. Maybrick. It is said that he has made no secret that he favors her pardon.

In case all appeals to the king and the new Home Secretary fail, it is understood that the Medical and Legal Aid Society will ask Miss Clara Barton, of the Red Cross Society, to make a personal appeal to the king.
