PROTESTANTISM IN PHILIPPINES

A Meeting in Interest of Evangelical Movement — Compared Priests to "White Ants Which Eat the Substance and Leave Nothing of Value."

MANILA, Feb. 4.—Fewer than 400 persons attended the meeting called by Senator Buencamino at the Rial theater, in the Tondo Ward of Manila, to inaugurate the evangelical movement. Considerable interest was manifested in the proceedings, and there were some expressions of approval of the addresses. No attempt, however, was made to commit the meeting to Protestantism, that aspect of the case being left for subsequent action at his discretion to Rev. James B. Rogers, a missionary of the Presbyterian board who was present.

Senator Buencamino explained that religious effort was wholly outside the Federal party, which had been organized solely to promote political policy.

The first mild applause occurred when he compared the priests to "white ants which eat the substance and leave nothing of value." Senator Buencamino urged in favor of supplanting the present priests with Filipinos having the privilege of marrying. Gradually he led up to Protestant ideas, and asked whether they were any longer to submit to the authority of a pope or an archbishop. Some shouted "no," but others remained silent.

A Methodist Minister baptized a hundred Filipinos at Malibay, about four miles from Manila. Rev. Mr. Prautech has secured scores of signatures in a neighboring village to a declaration in favor of handing the church over to Protestant worship and debaring German Catholics.

Socialist Scheme of Connecticut Town.

BRIDGEPORT, Conn., Feb. 4.—A plan has been proposed to establish certain financial institutions here on a basis of co-operation. It involves the raising of \$6,000,000. Forty thousand citizens are expected to find the money, each taking \$175 worth of stock. Six corporations are to be chartered. Of the \$175 sub-

scribed by each, \$25 will form a deposit in the savings bank, one of the corporations, while the remainder will pay for one share in each of the other five companies.

With the scheme is a proposition to pay the debts of the municipality by insuring the lives of prominent citizens. The city will pay the premiums and be the beneficiary. Several residents have agreed to take out policies if the scheme goes through.

Catarrh Cannot Be Cured.

With local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.

Rising Against Tagals.

MANILA, Feb. 4.—Natives have reported at Batangas that a week ago the natives of the island of Mindoro rose against the insurgents and killed the insurgent governor. There are no troops at Mindoro.

The Federal party of Bataan Province, including the president of each pueblo, held a big meeting at Orania yesterday, and resolved to notify the insurgents of Bataan that they must cease operations within a week or the people will assist the Americans to capture them.

Editor's Awful Fight.

F. M. Higgins, editor Seneca, Ill., News, was afflicted for years with piles that no doctor or remedy helped until he tried Bucklen's Arnica Salve. He writes two boxes wholly cured him. It's the surest pile cure on earth and the best salve in the world. Cure guaranteed. Only 25 cents. Sold by Blakeley, the druggist. 5

Why pay \$1.75 per gallon for inferior paints when you can buy James E. Patton's sun proof paints for \$1.50 per gallon, guaranteed for 5 years. Clark & Falk, agents. m1

Robbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised 'Electric Bitters'; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Blakeley's drug store. 5

Canadians Will Own Telegraph.

NEW YORK, Feb. 4.—A special to the Herald from Toronto says: The dominion government has practically taken steps to purchase the telegraph system of Canada, extend them enormously and operate them in connection with the postoffice department. It is also seriously proposed to follow a similar course with the telephone, but in the case of the latter municipalities will be licensed, as in Great Britain, to operate the system within their own ideas.

The question of the absolute control of the Canadian telegraphic service has long been discussed, but not until the present liberal government came into office has it been possible to talk purchase. With a surplus running from \$6,000,000 to \$7,000,000 for 1900-01 and a prospect of an equally large surplus for 1901-02, the plan seems feasible.

The great desire of Canadian statesmen is to see cables owned by Great Britain under the Atlantic and Pacific, joined at each ocean to wires owned by the dominion, crossing this country, and thus practically girdling the globe by cable absolutely under imperial control. The business men of Canada are unanimously in favor of the scheme.

A Thousand Tongues.

Could not express the rapture of Annie E. Springer, of 1125 Howard st., Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had completely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but she says of this Royal Cure—"It soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the universe." So will every one who tries Dr. King's New Discovery for any trouble of the throat, chest or lungs. Price 50c and \$1. Trial bottle free at Blakeley's drug store; every bottle guaranteed. 5

Opposition to the Subsidy Bill.

WASHINGTON, Feb. 4.—As the subsidy bill now stands, there are a number of Republican senators against it, and it is even doubtful if it can be amended to gain their support. Those believed to be against it and anxious to see it defeated are: Nelson, Penrose, Perkins, Quarles, Allison, Beveridge, Dooliver, McCumber, Simon and Spooner. If the bill is amended in several particulars, a number of these senators will vote for it, and some of them would not vote for it any way it was ever brought to a vote.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." For sale by Blakeley, the druggist.

How to Cure Croup.

Mr. R. Gray, who lives near Amenia, Dutchess county, N. Y., says: "Chamberlain's Cough Remedy is the best medicine I have ever used. It is a fine children's remedy for croup and never fails to cure." When given as soon as the child becomes hoarse, or even after the croupy cough has developed, it will prevent the attack. This should be borne in mind and a bottle of the Cough Remedy kept at hand ready for instant use as soon as these symptoms appear. For sale by Blakeley, the druggist.

Southern California.

Notable among the pleasures afforded by the Shasta Route is the winter trip to Southern California and Arizona. Renewed acquaintance with this section will ever develop fresh points of interest added sources of enjoyment, under its sunny skies, in the variety of its industries, in its prolific vegetation and among its numberless resorts of mountain, shore, valley and plain.

The two daily Shasta trains from Portland to California have been recently equipped with the most approved pattern of standard and tourist sleeping cars, but the low rates of fare will still continue in effect.

The Best Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound to the affected parts is superior to any plaster. A powerful engine cannot be run with a weak boiler, and we can't keep up the strain of an active life with a weak stomach; neither can we stop the human machine to make repairs. If the stomach cannot digest enough food to keep the body strong, such a preparation as Kodol Dyspepsia Cure should be used. It digests what you eat and it simply can't help but do you good. Clarke & Falk's P. O. Pharmacy.

For the weakness and prostration following grippe there is nothing so prompt and effective as One Minute Cough Cure. This preparation is highly endorsed as an unailing remedy for all throat and lung troubles and its early use prevents consumption. It was made to cure quickly. Clarke & Falk's P. O. Pharmacy.
