

WILD WITH ECZEMA

And Other Itching Burning
Scaly Eruptions with
Loss of Hair.

Speedy Cure Treatment \$1.25.

Bathe the affected parts with Hot Water and Cuticura Soap, to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment freely, to allay itching, irritation, and inflammation, and soothe and heal, and lastly, take Cuticura Resolvent, to cool and cleanse the blood. A single set (price, \$1.25) is often sufficient to cure the most torturing, disfiguring, and humiliating skin, scalp, and blood humors, with loss of hair, when all else fails.

This sweet and wholesome treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning, and scaly humors of the skin, scalp, and blood, and points to a speedy, permanent, and economical cure when all other remedies fail.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalded head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants and the anxiety of worn-out parents, as in milk crust, tetter, and salt rheum — all demand a remedy of almost superhuman virtues to successfully cope with them. That CUTICURA remedies are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy, have made them the standard skin cures and humor remedies of the civilized world.

PRICE, THE SET, \$1.25, consisting of CUTICURA SOAP, 25c., CUTICURA OINTMENT, 50c., CUTICURA RESOLVENT, 50c. Sold throughout the world. POTTER DRUG AND CHEM. CORP., Sole Importers, Boston. "How to Cure Every Humor," free.

"House Bill No. 104."

Many are the theories in circulation as to how a whiskey demijohn in one of the many recesses of the state house at Salem came to be designated as "House Bill No. 104," but that of Phil Metechan, as related by a Telegram reporter, is ingenious even if it is not strictly correct. "As near as I could find out, House Bill No. 104 originated years ago when Vic Trevitt was president of the senate," said the former state treasurer. "The senate and the house were to hold a session when they had completed the work in their respective houses. There had been 103 house bills introduced. The senate finished its labors first, but the house was still busy. After a long recess Vic and a crowd of senators walked down and as they were passing a saloon, the president said: 'Boys, come in and I'll introduce you to House Bill 104.'"

Do You Cough?

"I guess I used to be like everybody else. When I caught cold, I just let it alone, thinking it would cure itself in a few days; of course the coughing and spitting of mucus sometimes lasted several weeks, but after a while the trouble would subside. I always noticed, however, that each cold was worse than the one before. My throat seemed to get weaker, and the least change in the weather started the coughing again. The last cold was the most severe of all. I was really frightened. Cough drops and home treatment did no good. A friend told me about Acker's English Remedy. I got a bottle, and you never saw the like of the way it acted. Before the bottle was gone I was well. My throat felt as strong and well as could be. Since then I have had no more trouble. I think Acker's English Remedy so strengthens the delicate lining of the throat that it easily resists the changes in temperature, and it builds up the constitution as well."

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Those, Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." For sale by Blakeley, the druggist.

The Best Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound to the affected parts is superior to any plaster. When troubled with lame back or pains in the side or chest, give it a trial and you are certain to be more than pleased with the prompt relief which it affords. Pain Balm also cures rheumatism. One application gives relief. For sale by Blakeley, the druggist.

For the weakness and prostration following grippe there is nothing so prompt and effective as One Minute Cough Cure. This preparation is highly endorsed as an unfailing remedy for all throat and lung troubles and its early use prevents consumption. It was made to cure quickly. Clarke & Falk's P. O. Pharmacy.
