WEDDED.

Mr. James Winans Harry and Miss Effa Dell Bolton United in Marriage

A quiet, but beautiful and impressive ceremony was that which took place at the home of Mr. and Mrs. Simon Bolton last night when Rev. U. F. Hawk, of the Methodist Episcopal church, united in wedlock their daughter, Miss Effa Dell Bolton, and Mr. James Winans Harry, of Seattle.

The parlors had been tastefully decorated in smilax and pink carnations, while overhead pink ribbons formed a canopy, making a very pretty effect as at 8 o'clock the bridal party entered the room to the strains of Lohengren's wedding march, played by Miss Sampson. The bride's twin sister, Miss Vesta Bolton, acted as bridesmaid, and Dr. Charles B. Cowan, of Seattle, as groomsmen. The bride was daintily gowned in white and carried bride's roses, the simplicity and richness of her costume making it the more becoming, while her sister was attired in pink, carrying carnation of the same shade.

Congratulations being over and an abundance of good wishes extended, all repaired to the dining room, which looked most cheery and inviting in its decorations of red carnations and smilax, and where was served a delicious lunch.

Being somewhat hurried to catch the east-bound train, the newly married couple hastened from the supper room to don their traveling garments, and as the bride threw her bouquet from the stair landing a bevy of young ladies waited expectantly below, and Miss Edna Barnett caught the prize.

A little later, amid showers of good wishes, mingled with regrets at the departure of the bride from the home circle, Mr. and Mrs. Harry left to take the train for a short stay in Spokane before going to their Seattle home.

This young couple start out in married life with the brightest of prospects, the groom being a young man of excellent character and a business man of no little ability, while in the charming young lady he has won he will find an admirable companion and a helpmate in every sense of the word.

The many beautiful presents received attest the esteem of a host of friends.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and the gripe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for the gripe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of a gripe to result in pneumonia." For sale by Blakeley, the druggist.

For the weakness and prostration following gripe there is nothing so prompt and effective as One Minute Cough Cure. This preparation is highly endorsed as an unfailing remedy for all throat and lung troubles and its early use prevents consumption. It was made to cure quickly. Clarke & Falk's P. O. Pharmacy.

Considerable of a scare was produced this morning when it was reported that a locomotive engineer named Turner had broken out with smallpox and was quarantined at the Cosmopolitan lodging house. Mr. Turner had been quarantined for a couple of days in the building occupied by the late smallpox patient, Mr. Allison. But this was nearly three weeks ago, and as his person and clothing had been thoroughly fumigated before he was released, all danger of contagion from that source was naturally

supposed to be past. When Mr. Turner discovered, yesterday, a few small eruptions on his body that, we are told, could be counted on one's fingers, a physician was sent for, who did not apprehend the signs of smallpox, but, as a precautionary measure, had the patient quarantined till today, when all doubts as to the character of the eruptions were removed and Mr. Turner was released. It may be added that Mr. Turner has not been sick for a moment.

The Antelope Republican says the people of that part of Wasco county have come to the conclusion that they do not desire to be annexed to Sherman county, and they have therefore done everything in their power against the movement. Mr. C. E. Lytle, the leader of the movement, has ceased all further effort, as he found the majority of the taxpayers of the territory proposed to be annexed opposed to it.

While Mrs. Crandall, who lives on Ninth street close to the rock cut on that street, was attending a meeting of the Salvation Army a few nights ago, some thief broke into her house and carried off all the family supplies, besides a pistol and a box of cartridges.
