

# Spitting Blood

"I used to cough and spit blood, and my neighbors in Dayton, Ohio, where I live, said among themselves that I had consumption, although they did not tell me so to my face, for fear of making me despondent. I kept on coughing and trying different sorts of medicines, but nothing seemed to reach my trouble until I got hold of a bottle of Acker's English Remedy. I prayed for health all the time, and my prayers were answered as soon as I began taking this celebrated English expectorant and tonic. Since my recovery I have told hundreds of sufferers from coughs, colds and weak lungs that Acker's English Remedy would cure them. Some of them won't try it, and it does seem to me terrible when anyone deliberately refuses to be cured. There ought to be a law compelling consumptives to take it. Even if they don't care for their own lives, the public's welfare should be considered. Don't you think so too? I hope such a law will soon be enforced."

(Signed) Mrs. RICHARDSON.

Sold at 25c. per bottle, throughout the United States and Canada, and in England, at 3s. 2d. per bottle. If you are not satisfied after trying, return the bottle to your druggist and get your money back.

## OUR LAWS IN FORCE

Civil Government Established in Pampanga Province—Native Chosen for Governor.

SAN FERNANDO, Province of Pampanga, Island of Luzon, Philippines, Feb. 13.—At Bacolor a bill applying the provincial government act to the province of Pampanga was passed in the presence of a crowd which included representatives of all the twenty towns in the province. The appointments of the officers of the province were immediately announced as follows: Sekrina Joven, of Bacolor, to be governor until a successor shall be selected, a year hence; secretary, Mariano Casan; treasurer, Lieutenant William A. Goodale, of the Forty-first regiment; supervisor, Lieutenant Lawrence Butler, of the Forty-seventh regiment; the army service of both these officers expires in July; fiscal, Juan Garcia. The salaries were fixed as follows: Governor, \$1800; secretary, \$1000; treasurer, \$2400; supervisor, \$1800; fiscal, \$1350.

Prior to the passage of the bill, Judge T. It explained the frame work of the Philippine government, which the commission was erecting. The natives suggested the amounts of the salaries. At the close of the session, General Grant, who is called the "Father of the Pampangas," said he rejoiced that his children were large enough to take care of themselves. He added: "We Pampangas are as patriotic as any Americans." The remark was greeted with applause. The first general provincial government under American rule has thus been hopefully established.

The commission will proceed next to the province of Pangasinan, in which is situated Dagupan, the terminus, on the gulf of Lingajen, of the Manila-Dagupan railroad.

Major Maximo Angeles today surrendered 120 rifles at Hagonoy, province of Bulacan.

Confederate Reunion, MEMPHIS, Tenn., Feb. 13.—The general executive committee of the confederate reunion has adopted a resolution with regard to the invitation to President McKinley to be present at the reunion which will be held in Memphis in May, in which it declares that this committee recognizes the unwritten law of the United Confederate Veterans, that neither the officers of said organization nor the host at the reunion has authority to invite any other than a Confederate to participate in such reunions.

Death of Senator Platt's Wife. New York, Feb. 13.—Mrs. Thomas C. Platt, the wife of United States Senator Platt, died early today at her apartments in the Fifth-Avenue Hotel, after a long illness. Senator Platt and his three sons and their wives were at the bedside. Mrs. Platt's affliction was a nervous affection of the heart.
