### SALMAGUNDI.

The little town of Lyons, up on the Santiam, boasts of a "joint-smasher." The report came to Salem that a Mrs. Wilson, of that place, went into an illicit saloon, dragged her husband from a crowd of loungers, and then demolished the establishment in "Nation" style.

Mack Sulbette, a horseman, left his room in Versailles, Ky., at midnight in his sleep, walked to his father's home, five miles south, where his sister is ill, sat by his sister's bedside talking with her half an hour, left the house, walked back to Versailles and returned to bed without awakening.

The only power that can absolve the United States from the pledge of unrestricted independence to Cuba is the sovereign people of Cuba. That it would be to the best interests of all that Cuba should come under the sovereignty of the United States scarcely admits of question. But the matter is one for the Cubans to decide. They have our permission to throw gratitude and self-interest to the winds and take the consequences.

Saloon men are already beginning to reap a rich harvest out of the recent blunder of congress in abolishing the army canteen, a number of saloons having been opened near Fort Sam Houston. The testimony of army officers and army chaplains was outweighed by the influence of the good, but mistaken ladies of the W. C. T. U., and Uncle Sam was made to do a great wrong to his soldiers.

The cattlemen of the Northwest have been complaining for many years about the growth of poisonous weeds upon the ranges, and last summer the secretary of agriculture sent out a couple of botanists to make an investigation. They found six plants of a poisonous nature growing wild in different parts of the territory, all fatal to cattle. Antidotes were discovered for three of them, but the other three thus far have no cure. The department is now engaged in a thorough investigation of the subject and will be able to make a detailed report within a few weeks.

### Strikes & Rich Find.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H., "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by G. C. Blakeley, the druggist.

Cocoon Cream Hair Tonic will cure dandruff and all scalp diseases. Don't neglect your hair. For sale at Frazer's barber shop, sole agent.

A powerful engine cannot be run with a weak boiler, and we can't keep up the strain of an active life with a weak stomach; neither can we stop the human machine to make repairs. If the stomach cannot digest enough food to keep the body strong, such a preparation as Kodol Dyspepsia Cure should be used. It digests what you eat and it simply can't help but do you good. Clarke & Falk's P. O. Pharmacy.

Recent experiments show that all classes of foods may be completely digested by a preparation called Kodol Dyspepsia Cure, which absolutely digests what you eat. As it is the only combination of all the natural digestants ever devised the demand for it has become enormous. It has never failed to cure the very worst cases of indigestion and it always gives instant relief. Clarke & Falk's P. O. Pharmacy.

### Stray.

Came to my place, seven miles west of The Dalles, first of November last, a black Jersey steer, two years old; small split in each ear; no brand visible. Owner can have same by proving ownership and paying all charges.

Remember that you don't have to be bald; you can keep your hair by using Cocoon Cream Hair Tonic. To be had at Frazer's barber shop.
