

"Is God's Good Blessing"

"I feel that God has blessed Dr. Acker with special knowledge to prepare that grand medicine called Acker's English Remedy for Throat and Lung Troubles. It saves children every time when they are attacked by croup. Every mother should know about it, and I will tell about my experience. I had a darling boy of four years to die with croup. My doctor did all he could, but the child could not be made to vomit. That was before I knew of Acker's English Remedy. After I did hear of it, I got a bottle. When our little eighteen-months-old girl was stricken with croup, I gave her this medicine, and inside of twenty minutes she vomited and was better right away. During the winter she had croup four times, and it brought her through each time all right. I, myself, had bronchitis pretty bad, and Acker's English Remedy cured me completely. Before I close, I want to tell you of my neighbor's boy, named Jobe Nana. He had bronchitis, too. He got worse all the time. My husband went over to his house and told him about my case. Then his mother went to town, got a 50-cent bottle of Acker's English Remedy, and he took it. He came over to our house a few days later and said he was all right, and also said two doses relieved him from the start. You can understand by my letter why I think so much of Acker's English Remedy. I repeat that God's blessing must surely have been bestowed upon Dr. Acker."

It is expected that an electric light plant will be established at Goldendale in the near future. Interested parties have been canvassing the city the past week and report good success.

New York City's municipal expenses are \$100,000,000 a year; those of London, with double the population, are \$70,000,000. That comparison is a fair sample of how the democratic party runs a town.

Statisticians have discovered that a college woman can throw a base ball only forty-five per cent as far as a college man, but can jump sixty-two per cent as far. The latter experiment was determined by letting loose a mouse in the room.

According to the latest returns there are 807,471 paupers in England, 97,947 in Scotland and 97,587 in Ireland, supported at an annual cost to the public of \$67,000,000. A serious part of the problem is that the number grows no smaller from year to year.

The frequent and radical changes of weather lately have been the cause of an unusually high death rate in Portland. So far this month there have been over seventy deaths, while in 1900 there were only sixty deaths during the entire month of February.

An American company has offered to construct thirty bridges on the Uganda railway in Africa in forty-six weeks. British bidders wanted sixty weeks to put their material on shipboard. The American workman gets the best wages in the world and richly earns them.

Henry S. Woods, head salesman for a sewing machine company at Spokane, landed a right hook on the mouth of Rev. Dr. McInturf, bishop of the People's United church, in the pastor's study just before Sunday evening's service. The minister had denounced Woods in his morning sermon.

A petition was circulated at Heppner this week and signed by about twenty-six democrats, asking Hon. J. W. Morrow to vote for John H. Mitchell for U. S. senator. The petition was sent off in time to reach Mr. Morrow before the final vote takes place, says the Times.

Last Monday, according to the Journals, the Chinese residents of Prineville celebrated their new year by inviting everybody to a fine dinner at the Prineville Hotel, to which invitation nearly 200 people responded. They also gave each pupil in the city schools a ten-cent bag of candy and every smoker in town a good cigar.

On next Monday morning, February 25th, G. M. Cornett, proprietor of the Prineville-Shaniko stage line, will put on a stage for passenger travel which will leave Shaniko at 6 o'clock on Monday, Wednesday and Friday mornings and reach Prineville at 6 o'clock in the evening of the same days. This arrangement will be greatly appreciated by the traveling public, as the entire trip will be made in daylight, doing away entirely with the necessity of passengers having to travel all night. The incoming passenger stage under this arrangement will leave Prineville on Tuesday, Thursday and Saturday mornings

at 6 o'clock, and arrive in Shaniko at 6 in the evening.—Shaniko Leader.
