## For You to Read

"What puzzled me in the beginning was that I kept losing flesh without any cause for it that I could see. I had a little trouble with my stomach, too, and after a while began to grow weaker and to cough. The cough, I thought, would soon go away and cure itself, but it didn't. It grew worse, and then I began to spit up a peculiar looking substance. I never thought of consumption, but one day I had a hemorrhage, and then was frightened in earnest and did just what you would do. I rushed to the doctor. He was either too busy, or something else, for he didn't do me any good. I kept going on down hill, and the outlook was bad. Things took a different turn, however, when I heard of Acker's English Remedy for Consumption, for I took it, and it not only cured my coughing and spitting, but also built up my whole system. I took on permanent flesh, and today am just as healthy a man as you can find in a week's travel. You may be sure I always keep Acker's English Remedy in the house, and it is a good thing I do so, for one night my youngest child was seized with croup. That hoarse, wheezy cough was the first signal, and I lost no time in giving the poor little sufferer proper doses of this grand medicine. In almost no time the disease was under control, and my child was saved. I advise every parent to have a bottle handy all the time. It serves the same purpose in keeping croup out of the house that a good lock and key serve to keep burglars out. It is both an expectorant and a tonic. It cured me of consumption and my child of croup, and I know what I am talking about." (Signed) Hon. M. HOGAN, picture frame manufacturer, 242 Center Street, New York.

Acker's English Remedy is sold by all druggists under a positive guarantee that your money will be refunded in case of failure. 25c, 50c, and \$1 a bottle in U. S. and Canada. In England, 1s. 2d., 2s. 3d., and 4s. 6d.

We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York.

For sale at Blakeley's Pharmacy.
