From a G. A. R. Man

"My attack of miller's Asthma was very bad. I was afraid to lie down at night for fear of smothering. I couldn't get my breath. No matter if all the doors and windows in the house were open, it seemed as if there was no air and that I must surely smother to death. Mr. W. B. Long, of this city, called my attention to Acker's English Remedy for Throat and Lung Troubles. I thought little of it but bought a bottle in the hopes that it might help me a little. It gave me wonderful relief, and the second bottle cured me completely. My recovery is permanent, too, for ever since I have not had the slightest return of my old enemy. I consider Acker's English Remedy by long odds the best medicine in the world for hacking coughs, asthma and bronchitis. It completely masters those stubborn diseases that many people wrongly suppose to be incurable. If sufferers will just try a single bottle, it will prove every word I have said, and more too." (Signed.)

A piece of flannel dampened with Chamberlain's Pain Balm and bound to the affected parts is superior to any plaster. One application gives relief. For sale by Blakeley, the druggist.

This should be borne in mind and a bottle of the Cough Remedy kept at hand ready for instant use as soon as these symptoms appear. For sale by Blakeley, the druggist.
