

Bled Quarts at a Time

"I am a knife maker and worked for a number of years in the New York Knife Co.'s factory at Walden, N. Y. First thing I knew I commenced to bleed from the mouth. Sometimes as much as a quart of blood would come up from my lungs at a time. Every time I coughed the blood spurted out. It was in the fall I got so bad, and the church people told me I had better make my peace with the Lord and prepare to die, for I would not live till spring. My home doctor couldn't do me any good, but advised me to get to New York City for examination. They finally took me to a medical college, and a whole lot of physicians made what they called a diagnosis. There were several students looking on. One professor had a little ivory hammer, and with this he pounded my chest and held his ear close to listen. After a while the professor looked at me solemnly and declared: 'One of your lungs is about gone and the other is affected. There may be a slim chance for life if you quit working in that knife factory.' I went back home, but didn't improve. One day I saw an advertisement of free samples of Acker's English Remedy for Consumption, being given away by our home druggists, Walker & Eaton. I got one of these bottles, and it relieved me. Then I bought more of the regular size, and my improvement was continuous, although slow. My doctors were astonished and so was I. After dark I hated to spit, because I was afraid it might be blood, and I wanted to know for sure. I have no fear now, for at last I am a solid man again. Although one lung is gone, the other is as sound as a dollar, and answers as well as two lungs, so far as I can see. I want everyone to know the facts and that is why I tell them here." (Signed) A. H. SIMPSON.

Acker's English Remedy is sold by all druggists under a positive guarantee that your money will be refunded in case of failure, etc., etc. and \$1 a bottle in United States and Canada. In England, 2s. 6d., 5s. 6d., and 10s. 6d.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

The lingering cough following grippe calls for One Minute Cough Cure. For all throat and lung troubles this is the only harmless remedy that gives immediate results. Prevents consumption. Clarke & Falk's P. O. Pharmacy.
