

HAS DECLINED A COMPROMISE

Conflict is Expected at Any Moment
—Russian Soldiers Have Orders
to Fire on Any One Commencing
Work.

NEW YORK, March 19.—A dispatch to the Herald from Tien Tsin says: The Russian General Wogack has declined a compromise suggested by Count von Waldersee. The tension here is increasing, and a conflict may be expected at any moment. The troops of all nations are under arms.

The situation at the railway station remains the same, although the temper of the hostile troops is, if possible, more disquieting than before.

French troops are taking part in the trouble, despite the efforts of their officers to maintain a neutral attitude. Many groups of French ran through the British settlement yesterday afternoon, shouting "Down with the English," and a number of fights took place, several ending in bloodshed, as the French always carry sidearms. Finally three French soldiers attacked Captain Bogler, of the British army and pulled him out of his rickshaw. The captain defended himself with his fists, and had knocked down one of his assailants when a number of Sikhs came to his rescue. General Campbell then turned out all of his troops, drove the French out and set pickets around the settlement, with orders to admit no French soldiers into the concession.

PARIS, March 19.—"Russia will not recede from the position she has taken in the matter of the railroad siding at Tien Tsin, of that you can be assured."

This statement was made to a representative of the Associated Press by a high official of the foreign office. Continuing, this official said:

"Russia will not advance, and will act slowly, but having taken up the position she now occupies, she will be moved therefrom only by force. England has been unsuccessful in her efforts to secure the aid of other powers to attack Russia's position regarding Manchuria, and is not likely to begin hostilities unsupported in the present instance. It is hardly possible that England will go to war over a railroad siding, with the Transvaal question still pending. I expect to see England yield. As to the statement that French soldiers attacked an English officer, we do not believe it to be true, for though the alleged attack occurred yesterday, we have not yet had any advice on the subject."

Spitting Blood

"I used to cough a great deal and spit blood, and my neighbors in Dayton, Ohio, where I live, said among themselves that I had consumption, although they did not tell me so to my face, for fear of making me despondent. I kept on coughing and trying different sorts of medicines, but nothing seemed to reach my trouble until I got hold of a bottle of Acker's English Remedy. I prayed for health all the time, and my prayers were answered as soon as I began taking this celebrated English expectorant and tonic. Since my recovery I have told hundreds of sufferers from coughs, colds and weak lungs that Acker's English Remedy would cure them. Some of them won't try it, and it does seem to me terrible when anyone deliberately refuses to be cured. There ought to be a law compelling consumptives to take it. Even if they don't care for their own lives, the public's welfare should be considered. Don't you think so too? I hope such a law will soon be enforced."
(Signed) Mrs. RICHARDSON.

Millions of Women Use Cuticura Soap Exclusively.

MILLIONS of Women Use CUTICURA SOAP, exclusively, for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, in the form of baths for annoying irritations, inflammations, and chafings, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and many sanative antiseptic purposes which readily suggest themselves to women and mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used it to use any other, especially for preserving and purifying the skin, scalp, and hair of infants and children. CUTICURA SOAP combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. Drying preparations simply develop dry catarrh: they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y.

Nasal CATARRH

In all its stages there should be cleanliness. Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly. Cream Balm is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at Druggists or by mail; Trial Size, 10 cents by mail. ELY BROTHERS, 56 Warren Street, New York.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and the gripe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for the gripe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of the gripe to result in pneumonia."
