

Wreckage Comes Ashore.

ASTORIA, Or., March 21.—Wreckage from a vessel is being washed upon Clatsop beach, near Gearhart Park. This proves conclusively that some vessel has been recently wrecked off the coast near here. With it came some more cases of salmon that were a portion of the cargo of the British ship Ardnamurchan, which sailed from Vancouver, B. C., December 3rd last, and which has been reinsured. While the wreckage has not been identified, it is believed to be from that vessel. The wreckage is painted, a portion being the interior paneling of a vessel's cabin and a door that had been forcibly torn from it. The lock had been violently wrenched from the door, leaving some of the brass screws. The beach will be watched for more wreckage in order that the identity of the vessel may be positively established.

Type Thrown Into Stove.

REPUBLIC, Wash., March 21.—Last night about 11 o'clock some one entered the office of the Republic Pioneer and deliberately opened the drawers in a cabinet filled with job type, took all the letters out of several boxes and threw them into the stove. When he had finished up the metal type he ruined several fonts of wood type in the same manner. There were probably a few coals in the stove, but not enough to make a good fire, and he took some patent plate matter to hurry things. This blazed up, and he shut the stove up tight. He then evidently started to wreck the job press with an iron bar, but did not damage it. In the meantime gas had generated in the stove and there was an explosion, blowing the cover off of the stove.

Will Raise Lumber Prices.

ASTORIA, March 21.—The sawmills of this city and Seaside will, April 1st, issue a new price list on lumber for the local trade. The list will be slightly higher than the one now in force, and will conform with that recently established by the mills at Portland. Nothing has yet been done toward changing the price for logs, but with the burning of the Clatsop mill, which was the heaviest consumer of spruce timber on the Columbia river, and the starting of a large number of new camps, it is said by well-informed individuals that before the summer is over there will be a reduction in the prices. Others, however, state that the Loggers' Association, which was formed last year, will take steps to limit the output of the camps so as to maintain prices.

Seven Years in Bed.

"Will wonders ever cease?" inquire the friends of Mrs. L. Pease, of Lawrence, Kan. They knew she had been unable to leave her bed in seven years on account of kidney and liver trouble, nervous prostration and general debility; but, "Three bottles of Electric Bitters enabled me to walk," she writes, "and in three months I felt like a new person." Women suffering from Headache, Backache, Nervousness, Sleeplessness, Melancholy, Fainting and Dizzy Spells will find it a priceless blessing. Try it. Satisfaction is guaranteed. G. C. Blakeley, the druggist. Only 50c.

Indians Will Ask for \$10,000,000.

SPOKANE, Wash., March 21.—Ten million dollars will be asked from congress at its next session for the fourteen tribes of Indians on the Yakima reservation in this state. So states Rev. Thomas Parene, an Indian Methodist preacher, the representative of the fourteen tribes, who was in Spokane last evening on his way home from an interview with President McKinley and other high officials. Parene says the white men have settled upon about 1,000,000 acres of land. He states that the land is worth \$10 per acre, belonging to his people.

From a Pastor

"I am the pastor of the Baptist Church at Port Jervis, N. Y., and sometimes am called upon to take part in evangelistic work away from home. Not long ago I went to Sandy Creek, N. Y., which is swept by the damp winds from Lake Ontario. Here I contracted a bad cough, and became so hoarse that I could hardly preach to my congregation. It was not only distressing in a bodily sense, but extremely embarrassing to enter the pulpit in this condition. I had heard of Acker's English Remedy and, after service, I bought a bottle and began taking it. The next night my throat was nearly well, and I delivered my sermon without difficulty. In a few days I was thoroughly cured. I conceive it to be my duty to benefit mankind physically as well as spiritually whenever I can, and am glad to write these words in praise of this grand old medicine. Those with sensitive throats and those who catch cold easily should certainly take Acker's English Remedy."

(Signed) Rev. EZRA TERRY SANFORD.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
