

Women of Woodcraft.

The Women of Woodcraft are working to gain 25,000 members by its fourth anniversary, which is April 1, 1901, when the order all over the jurisdiction will celebrate the event. The number will over-reach that to which the order is striving to gain. It is believed that it will reach 30,000 by April 1, 1901. The Women of Woodcraft grow rapidly and has such enthusiastic workers that the orders grow all the time. It is not only a winter growth but a summer growth also, and the W. O. W. will have to "look out" or its sister will overtake it.—Woodmen Paper.

Cedar Circle, Women of Woodcraft, is initiating every meeting night; by April 1st it will have initiated over forty, the majority of whom are beneficiary members. It is an order that strives to uplift and help, and teaches the motto of "Live for something." Cedar Circle some time since challenged Mt. Hood Camp, we are told, to a benefit membership contest to close April 1st, the losing side to serve banquet to the winning side. Both orders are working hard to win, but to date the ladies are ahead although Mt. Hood Camp says they are holding a reserve force to come in on the home run. The contest will be watched with interest.

Cedar Circle will hold its anniversary banquet on April 1st, as near as possible to its meeting night.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 249 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." For sale by Blakeley, the druggist.

Withdrawal From Disputed Land.

PERIN, March 22.—The troops on both sides of the disputed land at Lien Tain have been withdrawn and all danger of a fracas is ended. The opinion of the British is that the promptness of General Barrow in calling up the Marines from Taku prevented a collision.

The British report that prior to the arrival of the marine sentries were supplied from the Madras Pioneers, who for several days were surrounded by crowds of foreign soldiers, mostly French, who assailed them with all kinds of abuse, calling them "Coolies." The Madras were becoming restive when the marines arrived at night, and quietly relieved them, and it was only when daylight appeared that the Russians discovered the change.

Claims to Be the Cudahy Kidnaper.
DALLAS, Tex., March 22.—According to a statement made by H. W. Summers, county attorney, a prisoner in the Dallas jail named H. E. Henderson has declared himself to be the kidnaper of young Cudahy, of Omaha. He did not give facts and circumstances, and did not swear to his statement, although he had been warned as required by law, but says young Cudahy will identify him. Henderson says he came here from El Paso, and to that place from Denver. He says he was born in Iowa, that he once had a patent right which he sold for \$65,000. He stands convicted here of swindling and has been sentenced to thirteen years in the penitentiary.

Very Unusual

It is very unusual for a regular physician of good reputation to publicly endorse a proprietary remedy. We have often heard of cases where doctors have secretly prescribed Acker's English Remedy, but it is most gratifying to receive the following voluntary letter from C. F. Smith, M. D., the most successful physician of Olean, N. Y.:

Messrs. W. H. Hooker & Co., New York City: I wish to add my professional testimony to the value of your English preparation known as Acker's English Remedy for Asthma, etc. In several instances, after I have tried my utmost to give even relief, I have prescribed your remedy, and it has acted almost like a miracle, not only relieving, but permanently curing every one of the patients. I endorse the preparation as one of the most valuable additions to the practice of medicine.

Such a frank endorsement as the above is phenomenal. Coming from so distinguished a member of the medical profession, it carries with it an assurance which the public will be sure to avail themselves of. It is recommendations like this which make it possible to give the broad guarantee that is a part of every sale of Acker's English Remedy for Coughs, Colds, Asthma, Bronchitis and Consumption. It must either do all that is claimed for it, or your money will be refunded. Do you know of any other medicine sold on those terms? Do you know of any other medicines which prominent doctors regularly prescribe in their own practice as being better than prescriptions they write themselves? These facts are well worth considering. They are of especial interest to those with sore throats and weak lungs.
