

W. A. Goodwin, of Condon, is visiting Thos. Chapman. Mr. Goodwin is a painter by trade and is also a preacher of the church of Latter Day Saints. He has arranged with B. M. Neal for a religious discussion to commence in A. O. U. W. hall next Monday evening.

The citizens of Underwood, Wash., are to be congratulated upon the law-abiding spirit shown when the confessed murderer, Jim Green, was captured. Considering the fact that Green was cordially hated and feared by his neighbors, and his victim correspondingly loved and respected, lynching might have resulted.

Rev. Samuel Green, of Seattle Wash., who is superintendent of Sunday school work in Washington, effected the organization of Bethel Congregational church at White Salmon on Sunday, the 17th inst. The sum of \$300 will be secured from the Congregational church building society, which will be used to remodel and complete the building, when an effort will be made to secure a minister for White Salmon, Lyle and adjacent points.

It is said that there were some very badly scared citizens of Underwood after it was learned that Jim Green had killed Benjamin. One young man turned grey in a night. Another, a young man who had loaned Green a gun, fearing arrest as an accomplice, swallowed a big dose of carbolic acid in a quart of cider with suicidal intent. The cider acted as an antidote and as an emetic, and the youth will live to get scared another day. The only person heard of showing any presence of mind during the excitement of the affair was Mrs. Brown, who, after the fatal shot was fired, blew out the lamp so that the assassin could not see into the room to shoot again.

How to Cure Croup.

Mr. R. Gray, who lives near Amenia, Dutchess county, N. Y., says: "Chamberlain's Cough Remedy is the best medicine I have ever used. It is a fine children's remedy for croup and never fails to cure." When given as soon as the child becomes hoarse, or even after the croupy cough has developed, it will prevent the attack. This should be borne in mind and a bottle of the Cough Remedy kept at hand ready for instant use as soon as these symptoms appear. For sale by Blakeley, the druggist.

Your Face

Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparillas and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. Blakeley, the druggist.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." For sale by Blakeley, the druggist.

A Grocer Says

"I guess everybody in Bellevue, Ohio knows O. B. Callaghan, the grocer. I am in his employ, and about as well known as he is. A grocery store is a place where you have cold gusts of wind coming in every time the door opens, and there is a good deal of running about out-doors too. Anyhow, I catch cold very often, but the minute I begin to sneeze I reach up on the shelf and take a dose of Acker's English Remedy. I tell you it is wonderful how quickly it stops a cough or cold. I have used it myself, and in my family for a number of years. It works like a charm. I suppose some of the folks would have run into consumption before this if I had neglected to keep a bottle ready all the time for immediate use. I wouldn't think of using anything else for throat and lung troubles. I know what Acker's Remedy actually does, so what sense is there in experimenting? Certainty is better than chance." (Signed) JOHN HOFF.

Sold at 25c, 50c, and \$1 a bottle, throughout the United States and Canada; and in England, at 1s. 2d., 2s. 3d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back. We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York. For sale at Blakeley's Pharmacy.

Does It Pay to Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world, and sold by Clarke & Falk. Get Green's prize almanac.

Like Oliver Twist, children ask for more when given One Minute Cough Cure. Mothers endorse it highly for croup. It quickly cures all coughs and colds and every throat and lung trouble. It is a specific for gripe and asthma and has long been a well known remedy for whooping cough. Clarke & Falk's P. O. Pharmacy.

Acker's Dyspepsia Tablets are sold on a positive guarantee. Cures heart-burn, raising of the food, distress after eating, or any form of dyspepsia. One little tablet gives immediate relief. 25 cts. and 50 cts. Blakeley, the druggist.
