Many Rebels Surrender.

MANILA, March 29.—Aguinaldo is now detained in a comfortable room in a wing of the Malacan Palace. He is in charge of Captain Benjamin H. Randolph and Lieutenant Gilbert A. Youngberg, of Battery G, Third Artillery.

When Aguinaldo was captured he wore a plain dark blue suit with the coat closely buttoned up at the throat and a wide white helmet with a leather band. He takes his capture philosophically. He is generally cheerful, but sometimes moody. His health during the past year has been very good. It is uncertain what attitude he will now assume. Certain visitors are permitted to see Aguinaldo, but newspaper interviews with the prisoner are not allowed. Since Aguinaldo has been domiciled at the Malacan Palace, persons not provided with special permits have been denied admission to the grounds.

General Trias, the commander of the insurgent forces in Southern Luzon, who recently surrendered to the American authorities, visited Aguinaldo and told the latter why he had surrendered. Trias said that a continuance of armed opposition to the United States was unjustifiable and ruinous; that the independence of the Philippines was impossible, and that the Filipinos had better accept liberty, prosperity and progress under American rule. The capture of Aguinaldo, following the surrender of General Trias, will probably occasion the surrender of the insurgent leader Malvar, in Batangas province, Luzon; Bellarmino, in Albay province, Luzon; and Lucbon, in the island of Samar within a month.

Situation Explained to Aguinaldo.

MANILA, March 29.—Aguinaldo today conferred in the Tagalog language at the Malacanang Palace with several former members of his cabinet and other prominent Filipinos whom he asked to see. They explained to him the hopelessness of the insurgent cause, and advised him to use his influence to establish peace and for the recognition of American sovereignty. The result of the conference is as yet unknown.

The first execution in Manila under American rule took place today at Fort Malate, where five natives were hanged for the murder of Archibald Wilson, an Englishman, superintendent of the waterworks. The motive for the murder was robbery.

Twelve thousand Filipinos have taken the oath of allegiance to the United States at San Vicente, South Ilocos province.

Does It Pay to Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try ONE bottle. Recommended many years by all druggists in the world, and sold by Clarke & Falk. Get Green's prize almanac. 2

DISCUSSED BY THE CABINET

Questions Arising From Aguinaldo's Capture — Reward For General Funston Not Determined Upon.

WASHINGTON, March 29.—The cabinet meeting today was devoted almost entirely to a discussion of the capture of Aguinaldo, its effect upon the military situation in the Philippines, the disposition to be made of the insurgent chief and the reward to be given to General Funston. The subject was considered in all its phases, but no definite conclusions were reached either with regard to General Funston's reward or to the punishment of Aguinaldo.

The president and all members of the cabinet are in favor of the most liberal and substantial recognition of the service performed by General Funston. There was some discussion of the question of making him a brigadier-general in the regular army, but it was thought that full reports should be awaited before action be taken. The matter probably will be allowed to rest where it is for the present. General Funston is holding a volunteer commission as a brigadier-general, which will not expire until June 30th of this year, so that as far as honor and emoluments are concerned, his standing would not be prejudiced by the delay.

The disposition to be made of Aguinaldo was a matter that could not be disposed of definitely. Whatever action is taken in regard to him will originate with the army officials in the Philippines, and be passed upon finally here. There is no inclination to deal harshly with the man who has led the insurrection against the forces of this country.

Some of the cabinet officers think it is possible he may be used with good effect by the authorities of the Philippine commission in the establishment of civil government. General MacArthur's dispatch suggests that Aguinaldo might issue an address advising the insurgents to accept the situation, and this was pointed to as indicating possibilities along this line.

On the other hand, Aguinaldo's record has not been such as to win for him

great confidence in his constancy, and if his influence cannot be utilized safely he undoubtedly will be sent to some place where he can foment no further trouble. Guam was mentioned as a possible place for his detention.

The president and his cabinet believe that the capture of Aguinaldo will mean much in the crushing of the insurrection. Indeed, they are inclined to believe now that it means the utter collapse of the opposition to the authority of the United States.

End of Rebellion is Close at Hand.

WASHINGTON, March 29.—Another important dispatch was received at the war department today from General MacArthur, at Manila dated today. It did not refer to Aguinaldo or Funston, but in the opinion of the war department officials, it went far to support the prediction made by General MacArthur in yesterday's dispatch relating to those two leaders, to the effect that the end of the rebellion is near at hand. This dispatch chronicles the surrender of a considerable additional number of rebels, and military arms and the important feature of it is that the surrender marks the complete stamping out of the insurrection in the island of Mindanao, which is, next to Luzon, the largest island in the group. The dispatch is as follows:

"Manila, March 29.—Brigadier-General William Kobb reports the surrender at Sumalao, Mindanao, of nine officers, 100 men, 187 rifles, 80 shotguns, Capistrano's command. This ends trouble in Mindanao, as far as Filipinos are concerned.

"Brigadier General Robert P. Hughes reports Alikpali and Raiz, 34 guns, surrendered to Captain David Shanks, Eighteenth Infantry, at Mamburao; 206 guns Fulton's command surrendered to Lieutenant-Colonel William S. Scott, Forty-fourth Infantry."

Effect on Tagals.

"Is God's Good Blessing"

"I feel that God has blessed Dr. Acker with special knowledge to prepare that grand medicine called Acker's English Remedy for Throat and Lung Troubles. It saves children every time when they are attacked by croup. Every mother should know about it, and I will tell about my experience. I had a darling boy of four years to die with croup. My doctor did all he could, but the child could not be made to vomit. That was before I knew of Acker's English Remedy. After I did hear of it, I got a bottle. When our little eighteen-months-old girl was stricken with croup, I gave her this medicine, and inside of twenty minutes she vomited and was better right away. During the winter she had croup four times, and it brought her through each time all right. I, myself, had bronchitis pretty bad, and Acker's English Remedy cured me completely. Before I close, I want to tell you of my neighbor's boy, named Jobe Nana. He had bronchitis, too. He got worse all the time. My husband went over to his house and told him about my case. Then his mother went to town, got a 50-cent bottle of Acker's English Remedy, and he took it. He came over to our house a few days later and said he was all right, and also said two doses relieved him from the start. You can understand by my letter why I think so much of Acker's English Remedy. I repeat that God's blessing must surely have been bestowed upon Dr. Acker."
