MR. THOMPSON'S STATUS.

D. P. Thompson, a defunct Portland politician, goes to Pendleton to get his views into a democratic newspaper concerning the political men and measures of his home city, and of the state. Mr. Thompson's nature is so badly soured and his disposition has become so cynical that there is little attention paid to his expressions any more.-Salem Statesman.

How about this, anyway? Is little attention paid to D. P. Thompson's views on public questions in Oregon? Isn't it true that Mr. Thompson's views, and the views of those who think as he does, have been attended of late with considerable interest by the people of Portland and Multnomah county? Isn't it true that these views found expression by the election of a Multnomah legislative delegation almost solidly opposed to those who oppose Mr. Thompson? Isn't it true that the legislature re-Mr. Thompson and his friends have not a newspaper as an exponent in Portland, the state's metropolis, and & Falk's P. O. Sheriff's Sale.

A striking peculisrity about the next session of the United States senate will be that it will not have a single democratic senator from any state north of the old Mason and Dixon line, except from a few mining states out here in the far West. That's the harvest the democracy has reaped from the seeds of populism and free silver.

Drying preparations simply devel-op dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all dry-ing inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size, Ely Brothers, 56 Warren St., N.Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation.
With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
